

Telephone Co. Manager Heads Disaster Group

Richard Pyle, manager of the local branch of the Pacific Telephone Co., has been appointed chairman of the Red Cross Disaster committee for the Torrance area, Albert Isen, chapter chairman, announced this week.

Isen also announced the appointment of Virginia Jones as chairman of the Blood Bank program; George Powell, first aid and water safety; Mrs. Virginia Stoddard, canteen; and M. M. Schwab, chairman of the commerce and industry division of the fund raising committee. W. A. Felker will head the advance gifts committee.

Openings for volunteer workers in the canteen program, according to Mrs. Stoddard, are now being filled. Women interested in this phase of the Red Cross program have been asked to contact the committee chairman at Fairfax 8-6938.

The Red Cross office for the Torrance area is located at 2325 Torrance Blvd.

More Need For Dental Care Seen

Indications are that with Torrance's expanding population, at least 500 Torrance children will need dental care through the Dental Health Association, President Paul Diamond told members of the group at their regular meeting last night.

Plans for the coming school year were discussed at the meeting, and committee reports given. Records for the past year show that a record number of children whose parents could not afford dental care for them received help through the association.

Dale Isenberg and Mrs. Vera Wright were named by Diamond to head the public relations and publicity committees.

Mrs. R. M. McBee, executive secretary, gave special recognition to the nine Torrance dentists who are participating in the program, and said that without their cooperation, the plan could not work.

During the past summer, participating dentists have had to double up on their case loads in order to clear up the waiting list in time for the fall semester, Mrs. McBee reported.

Baseballers' Parents Mark End Of Season with Gardena Party

By AGNES MOSELEY

Although a tie for first place remained to be played off, Little League parents and their friends assembled on Saturday evening, July 31, to bring to an end another season of Little League baseball. It was a gala evening at the Western Club in Gardena, highlighted by a tasty spaghetti buffet and followed by dancing.

Ann and Frank Willis, 4610 Avenue C, and Loristine and Otis Anderson, 4609 Moresey Dr., and their guests helped to fill the dining hall to near capacity.

Frank Willis is co-manager of the Giants minor league team on which his son, Jim, plays. The Andersons' son, Larry, plays with the Cubs major league team.

Novella and Bill Jones, 23704 Kathryn Ave., hope to welcome home the newest member of their family in about a week. Born three weeks prematurely, their son is still gaining weight at his other home, the hospital.

Twenty youngsters wished young Donna Hood a very happy fifth birthday at her home, 23207 Kathryn Ave., Wednesday, Aug. 5. The party, lasting from 2 to 5 p.m., was a tremendous success for the children, who played games and feasted on cake, ice cream and suckers.
