Residents of Crenshaw Gardens Near Quota for Street Lights

By Mrs. G. A. Cunerty
ME 4-1119
Mrs. J. A. Jenson, resident of the new Crenshaw Gardens tract near Falda Ave., Glenburn Ave., and 160th St., reported that the residents of the area are within one unit of having their quota of contributions for street lights in the area. The residents are rightly proud of this accomplishment as it has been just six weeks since plans were set in motion to obtain lights.

Edward Williams Sr., of 18486 Regina Ave., president of North Torrance Voters, Inc., is entertaining his two sisters and their husbands, Mr. and Mrs. Everett Kumro and Mr. and Mrs. Charles Baham, all from Buffalo, N.Y.

Johnny Miller, for the last year and a half Cubmaster of Cub Scout Pack 761, of North Torrance, turned over the reins of Cubmaster last Friday night to Jerry Cunerty. Mr. Miller is going into Boy Scout Work with his son "Finker" John Miller. It was with heavy hearts that the parents and Cubs of Pack 761 bid farewell to "Johnny," who has been such an outstanding leader and tireless worker. Mr. Miller was presented with an engraved plaque by Mr. Walter Bronson, who said that with the plaque went the gratitude and appreciation of every Cub Scout and parent for the splendid job Johnny Miller has done.

Leo and Joyce Truscen, 16719 Falda Ave., are busy telling their neighbors and friends about their wonderful vacation at Lake Tahoe where they swam and sunned and enjoyed the scenery for a week.

The Gerald J. Newmans, of 16708 Falda Ave., were a happy family, as their son, Airman 2/c Lloyd Smith of Nellis Air Force Base in Las Vegas spent a seven-day leave with them.

The Walter Wheels family, "Slim," Joe and children Edward, Walter and Carole, of 17056 Elgar Ave., have just returned from a week at Catalina Island where they swam, fished around the island and took a trip on the glass-bottom boat.

Mrs. Lucille Hall, of 16711 Falda Ave., has just returned from a four-day visit in San Francisco with her son, Major Allen Smiley, and his family.

Mr. and Mrs. Arthur Moss, of 17508 Ermanita Ave., have been entertaining their niece, Miss Jackie Green of Detroit. When I say "entertaining," it is a vast understatement, for in one week they motored to Tijuana to take in the bullfights, went fishing at Ensenada, and spent several days in Yosemite.

Wes and Lil Clark and their children Dennis and Terry, of 16612 Falda Ave., have just returned from a motortrip through Northern California.

The Vernon Cruz family, of 17511 Ermanita Ave., spent a wonderful two weeks camping and fishing at Kern River.

Connie and Ralph Gastelum and children, Ronnie and Lorie of 17507 Ermanita Ave., spent their vacation motoring through Northern California and spending a few days each at Morro Bay, Big Sur, and Yosemite.

POLICE GET HID
Norman, Okla.—In and out of trouble throughout his high school days because of his interest in motor scooter races and exploding dynamite, one teenage boy, who graduated this year, sent a personal invitation to the Norman Police Department for the commencement ceremonies, with this notation on the invitation: "For your information, I made it."
