Lomita Girls Win '54 League Title

The Lomita girls won their tenth straight game without a loss Tuesday to sweep the championship of the Girls Softball League for '54.

The MGs took second place and the Flamingos and Waleria girls tied for third.

Lomita's tenth win was an 11-5 triumph over the Flamingos, with Lila Cordray pitching a cool four-hitter. On the same evening, Waleria, topped the MGs 8-5.

The Girls' season will close tonight when the Rookies meet the North Stars at McMaster Park.

All-Stars Named To Face Lomita In Girls' Loop

The annual All-Star game will be played Sunday at Waleria Park where Lomita will meet a team composed of two girls from each other team in the league, Edith Zack of Waleria has been chosen to start on the mound for the All-Stars (see story, right).

Karen Nelson slammed three doubles and a triple in four ups to pace Lomita at the dish and Miss Cordray had things her own way on the mound until the seventh frame, when the Flamingos spliced two singles, a double and a hit batswoman for four runs.

Waleria came from behind a 5-4 deficit in their last ups to score four runs and upset the MGs, Waleria to Carol Brier and Carol Gooler, plus singles by Miss Zack and Harriet Wingard, sparked the rally.

lbs. of yellowtail, bonita and barracuda. Fishing seems far better down south. They were going to try their hand at surf fishing for spotfin croaker but the surf was loaded with kelp.

The Santa Barbara Island waters yielded several bull bass topping 6 lbs. to Erney and Morris Maloy, Blanche Nagy and Harry Celszinsky on the Alua Sunday. Hearts bounced when they spotted several spiked bills jumping.

ROD & GUN Chatter

By Donna Barkdull

Might possibly be in for some pretty fair angling right off local banks around Rocky Point and in the Santa Monica Bay region where schools of bluefin tuna and barracuda have been sighted. A few inquisitive bluefins have been hoisted, but the majority remains on the spooky side. Hardly any of the larger island boats are making the trip to Catalina and probably won't until something shows up.

As far as the albacore situation goes, it looks as though they have gone—only temporarily, we hope. No sign of the elusive long-fins for the last two weeks. Heard the purse-seiner boys wrapped plenty of them in local waters along with white sea bass and barracuda. Grrr! How long does this go on?

Charter Just Boat Ride
The National Rod and Gun charter on the Texan Sunday turned out just slightly better than a boat ride for the 20 ardent anglers on board. Only about five barries and the same number of mackerel were reeled.

Grajeda Baffles Chi Rho, Mates Pile up 14-1 Win
Bobby Grajeda baffled the Nativity Chi Rho and his Pueblo Hornet mates lashed 12 hits to pile up a 14-1 win over the Chi Rho Monday at Waleria Park in Junior Boys' Softball play.

The Church team could get only three base hits off the tantalizing twirls of Grajeda, while the Hornets scored in every inning except the second off of Chi Rho pitcher Bill Burgess. Burgess gave up numerous bases on balls to keep Hornet rallies alive.
