Philanthropy Report Given By PTA Chief

"The good that is done for school children by the PTA can be seen by studying the organization's treasury book."

Thus stated Mrs. W. E. Zell, last year's treasurer for 259th Pl. PTA, when she explained the group's expenditures last year. A total of \$331.02 was used by the PTA for children's welfare, and \$131 was spent on health problems. Four tonsillitomy were paid for by the PTA, and the milk and lunch bill was \$90. Clothing also was furnished when welfare chairman, Mrs. G. Chambers, in conjunction with School Principal Miss Frances Dastarac, recommended that the PTA give assistance.

Money also was donated to several memorial funds which supply equipment to the various health centers. Two children were sent to school camp for a week, and two honorary life memberships were purchased. The money in the life membership fund may be used by students who wish college training to become teachers, and the students pay back the money, interest-free, when they complete their education.

Members of the PTA who work hard throughout the year to raise funds are gratified to know that when financial assistance is needed by the children, the PTA is able to give it, Mrs. Zell said.

Lomita Fuchsia Society To Hear Plant Doctor

Robert Atkinson, a plant doctor and TV star, addressed the meeting recently at the Lomita VFW Hall.

This was the first meeting of the year under the new board of directors. Plans will be made for the new fall festival, to be held Nov. 18.

CREATION OF SPHERICAL STAR SAPPHIRES TOLD

At each change of season, feminine minds are focused on new fashions, and this midsummer has brought a new look in jewels that will appeal as much to the male aesthetic sense as it does to his lady's.

Spherical star sapphires, believed to be the only star gems of this type in existence, have been created by Linde Air Products Co., a division of Union Carbide and Carbon Corp. which currently is constructing a facility here.

A unique and remarkable aspect of this latest laboratory feat is that each gem shows two perfect six-pointed stars, one at either pole of the sapphire.

While it is scientifically possible to cut earth-mined star sapphires and star rubies to spherical shape, so far as it is known this has never been done. The loss of weight in cutting the stone to a fixed radius and the double value of the two stars would increase the price tremendously.

The newly-created Linde star sapphire spheres are otherwise physically, optically, and chemically identical to the most perfect of earth-mined star gems, and, as with the natural stones, if fractured in each portion, correctly polished, would show a perfect star.

The first Linde star spheres to be set in jewelry are being displayed at the convention of

the American National Retail Jewelers Assn. at the Waldorf Astoria. In an unusual set of cuff links and studs, the spheres are so positioned that the stones revolve to show the stars at either pole.

Fuchsia Group Gets Tips on Arranging
Members of the North Torrance Branch of the California Fuchsia Society got tips on flower arranging when Chelsea Hendrix, president of the South Bay National Fuchsia Society, spoke recently at McMaster Hall.

Accordian solos by Myrna Bacon also highlighted the evening. Refreshments were served by Mmes. Peter Bruce, Clinton Beedon, Victor Benstead, Gerald Cunerty, and E. G. Collins.

SOUTH BAY GROUP PLANS HALLOWEEN PARTY, DRIVE

A special meeting for chairmen of South Bay Chapter 92 and their auxiliary of the Disabled American Veterans has been called for Oct. 15 by the Auxiliary commander, Mrs. Henry Niles, to discuss plans for their forthcoming Halloween party and Forget-me-not drive.

Emil Settlage and Charles Portnoy have been appointed co-chairmen of the entertainment committee, and James G. Caldwell and Clarence Kiefer are co-chairmen for the Forget-me-not drive.

Church Barbecue

The annual bazaar and barbecue dinner of St. Margaret Mary's Church in Lomita was held last Saturday and Sunday at the church schoolgrounds, 254th and Eshelman.

Thirteen guilds sponsored booths of handicraft, pottery, dolls, food, and games. Barbecue dinner was served Sunday from noon until 7 p.m. by Chef Anthony Brandell. Prizes were awarded Sunday evening.
