

Jaycees To Tour Phone Co.

Members of the Torrance Junior Chamber of Commerce will get a peek at the maze of electronic paraphernalia inside a modern telephone company exchange here this evening after their regular meeting at Club Alondra.

Manager R. S. Pyle of the local office of Pacific Telephone and Telegraph Co. will be host during a tour of the exchange at Cravens and Ingracia.

Tonight's tour of the telephone company's facilities is another in the series of tours designed to acquaint Jaycees with their city, according to Program Chairman Nolan Stuckey.

Night School Gives Spanish Conversation

A course in conversational Spanish taught by a man with 10 years of experience in South and Central America has been added to courses offered to adults at Torrance Evening High School, according to Director Vernon Sheblak.

Under the instruction of a Los Angeles man, Richard H. Madden, the classes will be offered on Mondays from 7:30 to 9:30 p.m. at Torrance High School beginning next week. Emphasis will be on speaking Spanish, rather than grammar and book work.

A native of Boston and a graduate of the University of Wyoming, Madden worked for the United Fruit Company as overseer of a banana plantation for eight years. He later spent 11 years as superintendent of a rice mill in Ecuador, and has taught Spanish to adults.

Information can be obtained at FA 8-2272.
