WALTERIA NEWS NOTES

Two Walteria Scouts Don Eagle Badges in Local Court of Honor

By BETTY MITCHELL
DA 6-4438

Two more of our Walteria boys are deserving of hearty congratulations. They have joined the ranks of Eagle Scouts—being awarded the coveted title of Court of Honor last month. The boys are both members of Troop 240, under the leadership of Robert Wagner, Robert Walker, a sophomore at Torrance High School, has been in Scout work for five years. He is also a member of the Order of the Arrow, an honor society within the Boy Scouts. The second boy is William Butcher of Winlock Dr. He is a freshman at Torrance High School, and has been a Scout for three years. William is also a member of the Order of the Arrow. Both of these boys have worked hard to make the qualifications for their Eagle Scout awards, and are not only good Scouts, but also good citizens. At the Court of Honor at which these boys were presented their awards by other Boy Scout members, a

beautiful eagle cake commemorated the occasion, thanks to the Golden Crust Bakery, and this was served with milk and coffee.

Speaking of Troop 240, reminds us that the troop is very excited over the prospects of their camp-away, to be held over Oct. 23-24 at San Diego. This is a gathering for the whole of the South Bay district and is expected to be quite a profitable experience.

Tonight a meeting of the Walteria Business Woman's Club is scheduled at the Fish Shanty.

That old man virus is back at work again. Both Frances Carrillo of Hawthorne Ave. and Gerrie Freels of Danaha St., were out with the old bug last week.

That new face that some of you have seen at the local library lately belonging to Mrs. Jessie Harvey of Newton St. She started at the library on Oct. 1.

Mrs. Laura Vary had visitors last Sunday evening when Mrs. Emily Atwood, Torrance, and Mr. and Mrs. Sterling Walters, Gardena, were guests at her home on Neece Ave.

A brand new Brownie troop has been organized in Walteria. Co-leaders are Mrs. Paula Brown and Mrs. Rowena Menger. The meeting, held to organize the new troop, took place at Mrs. Brown's home on Park St. last Wednesday. Officers of the Mothers Club for the troop are: chairman, Ann Mathews; telephone chairman, Christine Crain; finance chairman, Arlene Sohner; publicity chairman, Betty Rowell; transportation chairman, Kay Addington, who will also act in the capacity of assistant leader. The ladies will hold their meetings on the first Thursday of each month.

The First Baptist Church here in Walteria has announced a series of revival meetings being held at their church every night at 7:30 from Oct. 19 to 31. Evangelist will be Rev. Bill Headley.

The new principal of our lo-

cal school, Walteria Elementary, called last week to say he wished to publicly thank the ladies of our local PTA, which have been doing more than their share lately to aid the school children and their parents. Mr. Artuso outlined the activities which the ladies are carrying out including, on last Thursday alone, a paper drive, which was most successful by the way; four assemblies held by Inspector Saunders of the Los Angeles Junior Fire Department, executive board meeting plan-

ning for, among other things, the annual Halloween Carnival, and then on Thursday evening the ladies finished their day by serving refreshment following the parent-teacher group conferences. This reporter agrees with the principal—these ladies indeed should be complimented on the fine job they are doing.

There is no place like home—

Mr. and Mrs. Roy Cornell of Ward St. spent a pleasant Sunday last week-end visiting with friends in West Covina.
