

ATTEND THE CHURCH OF YOUR CHOICE REGULARLY

RIGHT IN THE HOLLOW OF YOUR HAND

That's where the well-being of your family rests. You want to give them every comfort and convenience in your power. You want to keep them well-fed, well-clothed, and well-housed.

You want them to enjoy every advantage of modern science—through electricity, telephones, movies, radio, and television. Nothing, you say, is too good for those you love.

Of course, then, you'll want something more. You'll want your family to possess that exhilarating and priceless quality known as spiritual well-being—a conviction that God is the Supreme Being in the world.

With this faith your life will abound with hope and you will experience a sense of true security in these uncertain times. To God your destiny is of utmost importance.

Through prayer and regular worship you will find a haven of protection for all your family—right in the hollow of God's hand. Go to Church Sunday.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship among Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For the sake of his community and nation. (2) For the moral and spiritual support. (3) For the sake of his family and his own soul. (4) For the sake of his own soul. Plan to go to church regularly and read your Bible daily.
