

New Visiting Nurse Group Phone Listed

Persons wishing to inquire about the new Visiting Nurse Asso.—which began in the Harbor Area last week—may do so by contacting the Community Chest Service Center in San Pedro, TE 35227, Monday through Friday, according to Mrs. Ralph P. Cousins, president of the VNA Board.

As yet, there is no VNA office in the Harbor, but Mrs. Cousins said that permanent VNA quarters are expected to open in Torrance about Dec. 1.

A non-profit organization, the Visiting Nurse Asso. is a participating member of the recent Community Chest appeal.

In addition, the agency receives nominal fees from patients based upon the ability to pay.

Extension of VNA service was the result of close cooperation and discussion among the VNA Board, Harbor Area Welfare Board and a special committee of the Harbor Board appointed to study the possible extension of VNA Service.

VNA service provides bedside nursing care for the sick in their homes and teaches the family how to care for the patient. Each visiting nurse is a graduate, registered nurse and cares for patients of licensed physicians.

RED CROSS LEADER NAMES TWO AIDES

Appointment of Robert M. Morton and Glenn W. Pfeil to top Red Cross committee posts here was announced yesterday by Albert Isen, chairman of the Torrance Branch of the unit.

Morton, a member of the Torrance United School District staff, will take over the duties of chairman of the school committee, Isen reported.

Pfeil, general manager of the Torrance Herald, will serve as vice-chairman of the disaster committee.

PAPER INDUSTRY

The production of paper in Eastern Canada dates back to 1803.
