HERE IS THE RECIPE THAT WON...  
**\$25,000.00**  
LAST TUESDAY AT PILLSBURY'S 5th GRAND NATIONAL RECIPE AND BAKING CONTEST

**OPEN SESAME PIE**  
SUBMITTED BY MRS. BERNARD A. KOTEN  
WASHINGTON, D. C.  
ADAPTED BY ANN PILLSBURY  
Bake at 450 degrees F. for 10 to 12 minutes. Makes 9-inch pie.  
Toast 2 to 4 tablespoons sesame seeds in 9-inch piepan at 325 degrees F. for 8 to 10 minutes until light golden brown. Remove seeds, then turn oven to 450 degrees.  
Beat 2 egg whites until stiff peaks form. Add 1/2 cup sugar and 1/2 teaspoon salt into mixing bowl. Add the toasted sesame seeds.  
Cut in 1/2 cup shortening until particles are the size of small peas.  
Sprinkle 3 to 4 tablespoons cold water over mixture, a little at a time, while tossing and stirring slightly with fork. Add water to moist particles, pushing lumps to side, until dough is just moist enough to hold together.  
Form into a ball. Flatten to about 1/2-inch thickness, smooth dough at edges.  
Roll out on floured pastry cloth or board to a circle 1 1/2 inches larger than inverted 9-inch piepan.  
Fit loosely into piepan. Gently pat out air pockets. Fold edge to form a standing rim. Prick generously with fork.  
Bake in hot oven (450 degrees F.) 10 to 12 minutes until golden brown. Cool.  
**DATE CHEFFON FILLING**  
Soften 1 envelope (1 tablespoon) gelatin in 1/2 cup cold water.  
Beat together 1 1/2 cups milk, 3 egg yolks, 1/4 cup sugar and 1/2 teaspoon salt in top of double boiler until well blended.  
Cook over hot water for directly over low heat, stirring continuously until mixture will coat a metal spoon.  
Add the softened gelatin. Stir until dissolved. Chill until almost set, stirring occasionally.  
Fold in 1/2 cup whipping cream, beaten until very thick, 1 teaspoon vanilla and 1 cup pitted dates, chopped very fine.  
Beat 2 egg whites until stiff peaks form. When beater is raised, add 2 tablespoons sugar gradually, beating well after each addition. Continue beating to make a meringue which stands in stiff, glossy peaks when beater is raised. Fold into the date mixture.  
Spoon into cooled baked pie shell, heaping into fluffy mounds. Chill until firm. If desired, sprinkle liberally with nutmeg before serving.
