Expansion of FRontier Set

The General Telephone Co will spend \$2,123,900 in the South Bay Area during 1955 for additional and improved service for FRontier telephones, according to Manager E. C.

The local expansion and im provement program will in-clude estimated expenditures of over \$378,600 for dial switching phone instruments, PBX switchboards and supplemental equip

boards and supplemental equipment and \$743,100 for cable and plant extensions and replacements. \$177,700 is allocated for improvements and other miscellaneous items.

The company has budgeted \$251,200 to complete new buildings now under construction. This consists of additions to the dial office in Hermosa Beach and the new supply and maintenance center in Redondo Beach.

tenance center in Redondt Beach.
"Total expenditures required to keep pace with the growth in the South Bay Area in 1954 amounted to more than \$2.300," Vaupel said, "the total number of telephones in the South Bay Area amounts to 36,502, a gain of 5,730 for 1954."

LIONS AID HOSPITAL . . A check for \$100 for the Torrance Memorial Hospital campaign is presented to Fred Mill, co-chairman o fthe drive, by Warren Hamilton (left), president of the Lions Club, The Lions was the first local service club to send a contribution to the fund.

COUNCIL BRIEFS

(The following matters of business coming before the Torrance City Council on Jan. 11, 1955, were not included in the HERALD's Thursday edition because of space limitations. Complete coverage of tomorrow evenings Council meeting in brief form will be published on Thurs-

Ordinance 727 amending and repealing the city's Civil Service ordinances and adopting a single comprehensive personnel ordinance introduced and adopted at its first reading. Mayor Drale and Councilman Benstead proposed the new ordinance.

City Manager George Stevens was authorized to proceed with purchase of the 28-acc civic center site north of Torrance Blvd. between Maple and Madrona from California Western. Oil Development Co. for \$8500 an acre—the offered price of the land a year ago. The land was appraised as of March, 1954—date the city initiated condemnation proceedings—at \$7500 an acre and is now valued at about \$9000 an acre, councilmen were told. The city will refund the 1954 taxes (about \$1700), pay for removing oil wells on the property, and pay for moving an oil line as conditions to the purchase of the property at the \$8500 an acre price.

City Attorney Hall reported that Elmo Buttle, chief of the General Services Administration for this area, had told him that the would approve the city's request to clear oil and mineral rights on the \$3500 area are on the \$3500 and creating the proposed of the property at the \$4500 and acre price.

City Attorney Hall reported that Elmo Buttle, chief of the Surplus real property branch of the General Services Administration for this area, had told him that the would approve the city's request to clear oil and mineral rights on the \$3500 area alproved triangle proposed for commercial development. A formal approval of the mathesia surpressed of the proposed for commercial development. A formal approval of the mathesia surpressed for the Moneta Water Co, in the pro-

Haslam recommending city adopt a system ing parking meter through the use of a dressed, postage-paid read to the Council proved.

City Manager Stevens was requested to survey the possibility of leasing city-owned property at Torrance Blvd. and Western Ave. and make a recommendation to the Council at an early date.

Patricia Nelson, secretary in the City Clerk's office and re-cording secretary of the city employes' union, was told in response to her question that the adoption of comprehensive personnel ordinance was con-
