## Dandoy Praised For Honolulu Grid Activity

Aramis Dandoy, just back from Honolulu in time to be honored guest at the Recreation Department's flag football awards dinner Thursday night, was rated as one of the "tops" in the Hula Bowl, Jan. 9.

A spokesman for the sponsoring Westwood Sporting Club, Inc., who handles arrangements for the annual charity classic, told the HERALD yesterday that Dandoy was "not only a superb athlete, but a great gentleman, and Torrance people should be mighty proud of him."

The Hula Bowl features seniors from college teams throughout the continental United States, pitted against the best of the Hawaii leagues, with a couple of pro-gridders thrown in.

The College All-Stars came out on the top end of the scoring, with a 33-13 victory against the Hawaiian Stars.

Dandoy, former Torrance High athletic great, was rated as superb on defense, and equally as good at his offensive halfback spot.

Working with Dandoy in the backfield were Paul Larson, Cal's All-American quarterback, Art Walker, Michigan, and Larry Morris, of Georgia Tech.

Others on the squad included Dick Brubaker, Ohio State; George Broder, Iowa, and Primo Villanueva, UCLA.

Pros playing with the Hawaiian Star-Studded line-up included Elroy Hirsch and Otto Graham.

More than 22,000 people jammed into the Honolulu stadium to view the spectacle. Charities throughout the United States and its possessions benefit from the proceeds, it was stated.

**HERD INCREASE**

Buffalo in the U.S. almost wiped out in 1899 with only 600 known living, have increased in numbers to about 35,000 in the U.S. and Canada, according to recent counts.

**TAKES TWO TO TANGO . . . Jim Lawrence rang up ten points for the Tartars in their game with Inglewood Friday night, but in this shot, he wasn't making a basket. He and Inglewood's Rich Buckelew get set to make for a rebounding ball, under the Tartar basket. The Tartars lost to the sharp-shooting Sentinels.**

## Sharp Shooters Out Score THS

Torrance's Tartars have dropped down into the dark horse class. And sometimes that ain't hay.

Tomorrow afternoon Coach George Stanich trucks his varsity cagers to Paramount for the fourth Bay League contest of the season. And the Torrance crew has come close, but as yet, hasn't mustered a win in conference competition.

Inglewood's classy Sentinels completely outshot the locals Friday night in a hectic fray on the Torrance boards. The invaders' big Rich Buckelew tipped in eight field goals from all over the court to pace the attack, with a noble assist from Frank Consiglio, who bucketed four shots and six free throws.

**Invaders Sharp**

The Tartar defense worked extremely well, Friday, against fast charging tip-in shots, but the foes were able to stand back, take good aim, and drop them in from unbelievable distances.

High point of the game from the Torrance viewpoint was the second period, when the locals moved up to tie up the ball game, but then fell behind by five points at half time.

High point getters for the Tartars were Jim Lawrence and Barrett Lee, with 10 points, while Sterling Brown and Tom Vanderpool lagged close behind with eight points. Brown came up to par on his ground work, though usually shoots to a teammate in a better scoring position after he has meandered the ball down the court.

It was a bad night for the locals, they were missing field goals which in a previous tiff with Centennial were dropping in from all over the court.

Lee, usually a deadeye at the longies, couldn't find the range, and had to move in fairly close, or pick up his points on penalty tries awarded by the officials.

Consiglio not only plunked in four baskets for his Sentinel buddies, but connected with six out of six tries from the free throw line. Wally Torkells hit four out of four.

Next home game for the Tartars will be Jan. 28, when the Seahawks fly over from Redondo for a return match. The Hawks turned back the Tartars 36-32 in their last go.

**IT'S ON THE WAY . . . Big Tom Vandepool cuts loose with a shot which plunked through the hoop for two points, but the Inglewood Sentinels, ran too many of their own and came out on the top end of a 58-40 score, Friday night. Ron Petrilli is at the left; Wally Torkels tries in vain to muff Vanderpool's shot, and Frank Consiglio (44) appears to be worried about the whole thing. The Tartars will meet Paramount tomorrow.**

## Sentinel Rally Gives Foes Win Over Tarbabes

Torrance's Junior Varsity cagemen were turned aside by a fast clicking Inglewood JV squad Friday night, as the locals lost 58-39 in a Bay Conference skirmish.

The Tartarbabes' Rich Ruffell swooshed through 17 points to tie for high point honors for the eve with the Sentinels' Jim McFerson. Ruffell hit for only four field goals, but made up the remainder of his score on nine free throws.

Bill Dowle came through in the closing period of the game to sink five baskets, all good two pointers, which just about wrote "finis" to the Tartar cause. He totaled 14 points during the night.

The invaders dropped in 11 field goals in the final period.

Tomorrow afternoon the locals will journey to Paramount, for another Bay League mix.

## CENTENNIAL RIPS LEUZINGER FIVE

Centennial's varsity hardwood crew, who zipped out a fancy win over the Tartars last week, whipped a defenseless Leuzinger five, 48-17 in a Conference clash, Friday night. Paul Lowe hit for 18 points to pace the winners.

The Apache jayvees thumped the Olympians, 71-28.

## PARAMOUNT ROUTS SAMOHI CAGEMEN

Paramount's varsity cagers turned aside the Santa Monica Vikes in a basketball clash, Friday night, winning 44-35. The Vikes pulled from behind a four point first period deficit to lead at half-time, but were stomped in the remaining periods.

Santa Monica Jayvees beat Paramount, 51-34.

## Big Car Pilots Enter Gardena Midget Contest

Cal Niday, the one-legged ace from Pacoim, became the second Indianapolis driver to enter the 100-lap 3-A National Championship midget auto race to be held Sunday, Jan. 23, at Gardena Stadium, Managing Director J. C. Agajanian announced yesterday.

The slight, balding Niday, who lost his left leg in a motorcycle accident while a three sport high school letterman, joins Johnnie Parsons, 1950 Indianapolis winner, on the entry list of the eight event program.

The 38-year-old, 5 ft., 6 in., 148 pound veteran is the second fastest qualifier in Indianapolis history. Last year he turned a blistering 139.828 MPH for the 10 miles, just a shade under Jack McGrath's one and four lap record. These two along with Parsons and Jimmy Daywalt are the only four drivers ever to turn a 140 MPH or better lap in qualifying.

Niday will drive his championship mechanic's mount, the bright yellow No. 5 Danny Quella Offy Special from Inglewood. Quella tuned the No. 97 Agajanian Special for Danny on the championship circuit after the tragic death of the late great Clay Smith at Du Quoin, Ill.

## Legion Top Bowling Team In Leagues

American Legion Team No. 1 in the Service Club league bowled a 2849 high during the recent month to take honors as hot-shotters at the Torrance Bowl.

Individually, Pete Radisich, with a 246, and Marty McGinnis, with a 182, were high man and woman, respectively.

## Devils Just Not In the Running

The National Blue Devils basketball crew appears to be setting a pattern for breaking records—in reverse—following the conclusion of the second week of play in the Recreation Department's adult cage league.

The first record was set opening night when the Devils failed to score a field goal in the first half of the fray. In their last outing, a new record low score was established by them, as Cityworker's Local 1135 held the Devils to a nine point score, while dropping in 57 for themselves.

Herb Curley was the giant for the winners, netting 12 goals and five free throws, good for 29 points and individual high scoring honors. Forward Leon Massey picked up five points for the losers' high point getter.

**Allens Triumph**

In the second clash of the night, Allen's Burgers, using an almost impregnable zone defense, trampled Al's Knolls Drugs, 72-24. Forwards Bill Baron and Jerry Farrar again paced the winners scoring with 20 and 19 points, respectively.

Guard Leo Valencia led the losers scoring attack hitting for eight points on three goals and a couple of good free tries.

In the final game of the eve, Bob Chambers blasted through with 16 points from his center slot to lead the way in Treske's Men's Shop 40-26 win over the Torrance Teacher hoopsters. Chuck Hawley netted eight from his forward position to repeat as high scorer for the losers.

Tuesday night's games, starting at 7 o'clock in the high school gymnasium, will see the Cityworkers going against the Teachers in the opener, the Blue Devils pitted against Allen's Burgers in the second tiff, and Al's Drugs going against Treske's in the night cap.

## Tribe Dumped In Modesto Hoop Tourney Games

Harvey Wong of Sacramento JC riddled the basket for 31 points to pace his teammates to a 70-66 win over El Camino in the Modesto Tournament at Modesto, last week.

Bob Weiss was top scorer for the Warriors with 23 points.

The College of the Sequoias cagers reversed an earlier win by the Warriors by dumping El Camino 55-44 in a consolation tilt of the Modesto play. The winners held a slim 30-29 half-time advantage, but a "cold" band of Warriors couldn't connect in the final twenty minutes and that was just about it.

In a Metropolitan Conference clash Friday night, the Warriors lost another, to powerful Bakersfield, by a 96-56 score.

The 'Gades Bud Holiday rang in 22 points to pave the way for the Bakersfield victory.
