THE STATE versus PAUL M.

This scene is all too common in American courts. It is the fateful climax of the problem we call JUVENILE DELINQUENCY. But there is another, an earlier scene, which has never been photographed. It happens so quietly, with so little drama, that no photographer has tried to catch it. In the case of THE STATE versus PAUL M. it happened fifteen years ago. Paul was a little shaver then. It was early on a Sunday morning, and the church bells were ringing.

Paul heard them as he played quietly in his room. They were a reminder that this was the morning he must be very quiet, because Daddy and Mama must catch up on their sleep.

Daddy heard them and pulled the covers over his ear. "Why," he thought, "must they ring their for Sunday School as well as Church?" Mama heard them; and got up to start the coffee.

God heard them, too. And only God knew that in this tranquil scene, which His bells left undisturbed, sentence had been passed in the case of THE STATE versus PAUL M.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual riches. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Tuesday	Matthew	3	1-12
