THE INSIDE OF THE WORLD

Continents, oceans and international boundaries are the outside of our world. And the constant folly of man has been his implicit belief that he could improve his world by spanning the continents, hopping the oceans, and juggling the boundaries of nations.

To improve our world we must change the *inside* of that world. For the globe is full of people—imperfect people. And all of the evil that threatens to engulf our world has its roots deep in the lives of individuals.

The one great hope of the world is to find a way to change the lives of individuals. Did we say *find*? We're forgetting that we found the way centuries ago in the truth which Jesus Christ revealed. The one great hope of the world is to follow the way our Saviour gave us.

With bombs that can change the outside of the world, and churches that can change the inside—which shall we use?

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
