This young lady might miss the next step and take a nasty tumble!

Of course her parents wouldn't dream of letting her try those stairs alone until they had taken every precaution to teach her how to manage them carefully and safely. But regardless of precautions, sooner or later she has to run the risk of trying them on her own.

Every adventure in growing up has its element of danger, and wise parents are very careful to see that the child shall be trained to meet these dangers with the least risk to her physical health.

But what about the far greater risk to this child's moral and spiritual health when she has to face the really big perils of life on her own? When not a broken bone or two but her character is at stake—what then?

The Church will give your child—and help you give your child—the care and training she needs for meeting life's greatest risks safely and triumphantly.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his sake of his community and nation. (2) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
