## A HOME OF THEIR OWN

From the time they were married Marion and Jim aspired to own their own home, but Jim was a struggling young postal clerk and Marion gave up her job when the babies started to arrive. During the years they clung to their dream even when it seemed an impossibility. They moved from apartment to duplex to rented house and always the unused house plans moved with them.

Marion and Jim were not bitter, for while their material dreams were postponed, others were realized. They raised three bouncing girls and one boy to maturity with a serenity not all parents know. There was a church-going family and their youngsters took to the good way of life like ducks take to water. There were the customary children's diseases but no casualties on the spiritual front.

Now Jim and Marion are established in that long awaited home of their own. The children are grown and gone, but they do not feel that fulfillment has come too late. In calm assurance of a job well done they take delight in their reward—a happy, contented life of accomplishment.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
