Sponsors Begin to Fret About 8th Grade Graduation Already

By Don Schwenk
FR 5-6351
The Date: June 15th.
Time: 7:30 p. m.
Place: Seaside school auditorium.
Occasion: 8th grade graduation dance.
Facts: Chaperons are needed. If you are the parent of an

eightth grader and would be willing to help chaperon for this event, please call Mrs. Catherine Thomsen at FR 5-3285.
The mumps, I am sorry to say, are still going around the gardens. On the sick list last week were, five-year-old Danny Lieberman, of 5426 Palos Ver-

des Blvd., and Virginia Burkett and children, of 22311 Redbeam Ave.
On the bright side, Parker and Ann Paul, of 8036 Ave B., and daughter Karin, have recently returned from a delightful two weeks vacation which they spent visiting Squaw Valley, near Lake Tahoe, and Sky Tavern in Mt. Rose, just out of Reno. Both Parker and Ann enjoyed skiing and have already introduced their two-year-old daughter to this fascinating sport.

Taking home prizes of a vase and candy boxes were Ruth Gastelum and Jeanette Forestal. Ice cream puffs, tea or coffee was served after the game.

Thirteen-year-old Ernie Thomsen, of 22705 Linda Dr., entertained several of his school chums last week, with a "nonsense" party at his home. Numerous games were played, while ham sandwiches, olives and soda pop were served buffet style throughout the party.

Glenn Sylvie is the name chosen by Vick and Carol Pezzoli, of 22709 Gaycrest Ave., for their newest arrival. Little Glenn made his debut on March 22nd. The Pezzolis also have two other children, Gary who is four years old, and Pamela three years old.

22726 Linda Dr., was the residence where friends and playmates of Kerry Vann congregated to celebrate Kerry's fourth birthday. The traditional ice cream, cake and presents, kept the little gang aglow.

Are there any persons living in this area who are or were connected with the Danes of Malta Lodge?
Mrs. Klug would like to hear from you. You may reach her by calling FR 5-5928.

In closing, may I wish you all a happy Easter.

Civic Association
The Walteria Civic Assn. will meet at the Walteria Recreation Center tomorrow evening at 8. It was announced here Saturday by President Clarence Hoyt. He urges all south Torrance residents to attend and to bring representatives of other Torrance civic groups.

Reflections

By J. HUGH SHERFEY, JR.
Our whole philosophy of Christian living rests upon the essence of Christ's resurrection and His promise of eternal life.
to be kind to one less fortunate than ourselves, to be perfect human beings, see less critical of those around us, to see ourselves as in our faults and strive to correct them is to bring to bear the practical application of our Savior's Resurrection, the very essence of Easter.
To emulate Christ's love for others, regardless of their rank or station, His forgiveness, His tolerance, His devotion to their betterment, enabled Him to leave us a rich heritage, standing as it does as a reference point in eternity of mankind.
Go to church, if you can, but whatever you do remember the essence of Easter lies within your heart.

STONE & MYERS

"WE HAVE SERVED THIS COMMUNITY FOR 32 YEARS"

THE SECOND CHANCE . . . Handicapped men like this one-armed truck driver are part of the Salvation Army's rehabilitation program. Discards donated by local residents are reconditioned in workshops of the Social Service Center which serves this area.

ROCK-A-BYE . . . Milonga Cline, charming elephant girl of the Clyde Beatty Circus, is never at a loss for someone to rock her to sleep "Old Sid," leader of the three herds of pachyderms, does it twice daily as part of their routine in the center ring. Clyde Beatty in person will appear with the circus here on April 18 under the sponsorship of the Torrance Optimist Club. Performances will be at 3 and 8 p.m.

Northrop Official Addresses Conclave
V. S. Sorenson, 2515 Via Anita, Palos Verdes, was a featured speaker at a Society for Non-Destructive Testing session held as part of the ninth Western Metal Congress in Los Angeles March 28 through April 1. Sorenson, head of the materials and process controls department of Northrop Aircraft, spoke on methods and findings at Northrop in the use of magnetic inspection devices. As head of his department, Sorenson is concerned with all related matters pertaining to manufacture of Northrop Scorpion F-89D all weather interceptors and Snark SM-62 missiles.
Completes Training
Robert R. Buzzell, of 13119 Bailey Drive, was one of nine apprentices in the lithograph field who have been awarded certificates as journeymen by the Lithograph Group of Printing Industries Association following four years of training.
