Kent Furniture Store to Open
A new addition to Hawthorne business enterprises is the Kent Furniture Store, located at 364 N. Hawthorne Blvd. The grand opening according to Bill Lehrer, store manager will be tomorrow. Following the opening date the doors will be open daily, including Sundays.
Kent's carries a full line of nationally advertised brands of furniture and appliances, which are fully guaranteed at all times. Many items not on display will be available to the customer upon request, said Lehrer, including a full line of maple and modern furnishings. Department store policy is adhered to and special attention is paid to customers service.
Lehrer declared that "no service is too small which would not receive immediate attention."
Lehrer has been in Southern California for nine years. He is married and has two children, Wayne, four and Glenn, two. On the opening day he will be on hand personally to make certain that the customer is, guest and king; he said.
