

Lyle Heck Wins Church Talent Program Award

Lyle Heck, choirmaster at the Lutheran Church of the Resurrection, has been named winner of recent Church Talent Hour competition, according to Vern Vihlene, producer-director of the program.

For winning the competition, he will receive a scholarship for voice studies with Nadine Nickel, whose studios are at 1780 Arlington Ave. A vocal teacher, she has been active in the South Bay Civic Light Opera Assn. and other local groups, and has been on radio, television, and the stage.

A teacher of vocal music at Gompers Junior High School, Heck lives in Redondo Beach and is active in the Church of the Resurrection.

Musical selections by members of Southern California churches are featured weekly on the Church Talent Hour, which is heard over Channel 13 at 10 p.m. Sundays.

NATURE OF EVIL TOPIC FOR SUNDAY

Obedience to God's laws is an awakening spiritual defense against the hypnotic temptations of the world. This is stressed in the Sunday Lesson-Sermon in all Christian Science churches. "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Demounced" is the subject.

Selections from Proverbs (4:20-21; 19:15) counsel, "My son, attend to my words; . . . keep them in the midst of thine heart . . . Slothfulness casteth into a deep sleep."

"Mankind must learn that evil is not power," declares Mary Baker Eddy in "Science and Health with Key to the Scriptures." She also states, "Sleep and apathy are phases of the dream that life, substance, and intelligence are material." "Material sense does not unfold the facts of existence; but spiritual sense lifts human consciousness into eternal Truth." (pp. 102, 249, 95).

The Golden Text is from Psalms (119:33, 104): "Teach me, O Lord, they way of thy statutes; and I shall keep it unto the end. . . . Though they precepts I get understanding; therefore I hate every false way."

WHAT'S DOING
R. S. Pyle, your Telephone Manager in Torrance

How many parts make a telephone?
If you were to count the parts in a telephone, you'd find an almost unbelievable number. There are 433 of them, all told. Many of these are complex and precision made. Yet the telephone is rugged. On the average it needs fixing only once in about six years. And telephone people have worked out ways to make telephones at surprisingly low cost. These things help us keep telephone service a good buy for you. Pacific Telephone works to make your telephone a bigger value every day.

Good way to start a vacation
This is the time of year when many folks start thinking about time off for a rest. And here's a tip that'll help make your vacation even more enjoyable: Before you leave, or while driving to your overnight stop on a long trip, why not call ahead for hotel or motel reservations. That way you'll make sure—in just minutes—that the rooms you want will be waiting when you get there. And the cost is low. In fact, you'll be surprised how far you can call for less than a dollar. So why not take advantage of bargain long distance rates to have the peace of mind that'll make your whole trip more fun.

You probably know her already by her voice. It is distinctive, friendly, courteous. "Pacific Telephone. Mrs. LaDonna Slinger speaking. May I help you?"
But I'd like to introduce you—in person as near as possible—to our newest service representative.
Actually she isn't new to Pacific Telephone, having celebrated her two-year anniversary last May 15, but she recently transferred to this area where her work is an additional service offered to subscribers.
As her adjacent picture attests, Mrs. Slinger may have won a few beauty contests but we don't consider it essential to her job.
She joined Pacific Telephone in Bakersfield and came here when her husband, Pat, took the post of Operations Manager with the Oilfields Trucking Co. in Torrance.
In her job she "has to know all the answers," but enjoys meeting the public over the telephone. "And also there's lots of opportunity here," she says.

Ray Edmonds' Talk Slated

Ray Edmonds, a graduate of the Prairie Bible Institute, will be guest speaker at the South Bay Baptist Church, 4566 Sharpyne Lane, at both morning and evening services Sunday.

A member of the South Bay church, he was licensed to preach by the church last year. He will talk on "The Outpouring of the Holy Spirit," at 11 a.m., while at the 7:30 service, he will discuss "First Impressions."

He will again speak at mid week services Wednesday evening at 7:30 p.m. The Rev. George F. Cain and his family are now on vacation in the Midwest.

Church Plans May Festival

The St. Catherine Labourer Parish will hold its May festival Sunday at 3840 Redondo Beach Blvd., with a number of booths and rides for children.

A barbecued beef dinner will be served from 1:30 to 7 p.m., with Mrs. Kathy Martin in charge of the kitchen and Mary Ann Van Hoven in charge of the dining room.

Mrs. Doty Creasey supervised the making of clothes for dolls in the doll booth.

John Bennett is in charge of arrangement, assisted by Mrs. Joseph Andrade.

Lutherans Set Sunday Rites

New members will be received as a part of services observing Pentecost Sunday at the 10:45 rites at the First Lutheran Church, Carson and Flower this Sunday.

Pastor Paul Wenske will discuss "The Jerusalem Church—A Model and An Example Church for the Churches of Today," at both 8 and 10:45 a.m. services.

At 7 p.m. Vesper services, Pastor Wenske will preach on the theme, "Faith without Works is Dead." Visitors are welcome.

Woman Will Preach Here

The Rev. Helen Carl returns to preach next Sunday at Harbor Tabernacle, 1408 W. Anaheim St., Harbor City, after having done evangelistic work for the church several weeks ago.

The Rev. D. S. Cahill, pastor said that the visiting pastor will preach at 11 a.m. at 7:30 p.m. services. She is well known in this section, having pioneered one of the oldest churches in Wilmington.

Everyone is welcome to attend the services, Cahill said.
