start going to church—NOW!

As an American, you like to come and go where you please, and when. You like to speak what you please, and how. You like to pursue life, liberty, and happiness as you will. And in these United States you can—because we still have freedom. You can worship in whatever church you choose—or not at all. But this freedom of religion and all our other liberties should not be taken for granted. Throughout free countries, the Church is fighting the peril of communism, lest individuals be strangled into hopeless, plodding submission.

Freedom, then, is reason enough. Go to church! Support and uphold the Church—NOW!
