Foster Named President of City Coordinating Council

Lester Foster, principal of El Nido School, was elected president of the Torrance City Coordinating Council at a meeting held last Thursday. He has been acting president since the resignation of Dale Isenberg. Other new officers include Mrs. Herma Tillim, vice president; Mrs. Juanita Cable, secretary; and Mrs. June Ascolesi, treasurer.

Earlier in the meeting, Julius Klein, council consultant, outlined the purposes and operations of coordinating councils, declaring that the purpose of the group is to promote cooperation among all organizations in making the community a better place to live. Committees Praised

ing Council, and supported the day nurseries, the Visiting Nurses' program, rabies inoculation law, and mental health legislation, as well as the community center and swimming pool. During the last summer, it conducted a youth employment service.

Our football game with California Whittier proved to be quite and exciting game with a score of 32-13 in favor of Whittier, although there was not a good attendance from Torrance. Our next game will be with Ventura here at our stadium. Let's all get out and cheer our team on to victory.

Friday night the Tri-Hi-Y will sponsor an after-game dance at the YMCA from 10 p.m. until midnight. Tickets are priced at 25 cents, and there will be lots of good music and fun. Be sure to attend.

Traveling to Redlands University yesterday to attend a leadership forum were four members of the Student Council. Those attending included Linda Thistle, Girls' League president; Sherwood Teirnan, senior class president; Mike Kendall, court judge; and Lor-

The candlelight installation was impressive, and most of the girls' mothers were present. Now officers are Janet Sanders, president; Gay Moplin, vice president; Claudia Smith, secretary; Joyce Canon, treasurer; Virginia Fazio, chaplain; and Pat Jordan, historical reporter.

This week the campus was invaded by many strangely dressed girls—it seems they were all Hi-Y initiates. You are sure to hear that catchy pledge song and see the girls doing many strange things during the week.

A pep rally will be held tomorrow noon in the Sunken Garden. Be sure to be there and show some spirit.

Local Needs Discussed

On a local level, the council discussed the need for crosswalks in school areas, particularly at 280th and Hawthorne Ave.; need for more recreation and parent interest; problems of double sessions; need for more nursery school space; and the desire of El Nido residents for annexation, with resulting benefits in school and park facilities.
