

New Red Cross Canteen Course Being Offered

A new "streamlined" training course for prospective members of the Red Cross Canteen service will be held on "home grounds" this month, according to an announcement made this week by Mrs. Virginia Stoddard, chairman of the Torrance Canteen service.

Women interested in acquiring the Red Cross Canteen certificate and performing this community service may make arrangements to attend a training course scheduled for Monday, Oct. 24, at the Hermosa Beach Woman's Club, Hermosa Beach, by calling the Torrance Red Cross Headquarters at FAirfax 8-0510.

The "streamlined" program, prescribed by the National Red Cross Headquarters for the purpose of "rendering the most information in the shortest possible time" will take place from 9:30 a.m. until 12:00 noon. In order that adequate accommodations may be made, candidates are urged to register as soon as possible.

Arrangements to shorten the program and hold it in the immediate area have been made for the specific convenience of local residents, reports Mrs. Stoddard, and represent a departure from former procedure which required candidates to attend Canteen training sessions at the Chapter headquarters in Los Angeles.

SURVEYING NARROW MISS . . . Fifteen-month-old Keith Hueth and his father, K. M. Hueth, of 2446 W. 174th St., survey the damage done to the Hueth garage Saturday evening when an automobile swerved out of control and crashed into the building. Keith was playing where is now standing when the crash occurred (additional accident photo with details was published in the Monday HERALD).

RAIL CONCENTRATION
In 1908 there was not a mile of steam railroad anywhere west of the Mississippi river in the United States.

AIR FORCE START
The air force began in the U.S. in 1907, then as the aeronautical branch of the army's signal corps.

FARM CLASSES
About 31 per cent of all the farms in the U.S. are classified as non-commercial or part-time operations.
