AUTOMATIC TELLERS' MACHINES . . . A modern new method of handling checking account deposits went into effect this week at California Bank's Torrance Office with the installation of automatic tellers' machines. Arthur O. Oisea, vice president, is shown discussing the operation of one of the machines with tellers Doris Boyko and Margaret Daniels (left to right). The new system provides customers with faster service and eliminates use of a passbook as the machine prints a registered receipt in duplicate for each deposit made, Oisea said. "We will be happy to demonstrate our new teller machine to our customers at any time," he added.

WALTERIA NEWS NOTES

Walteria Woman Surprised at Stork Shower Held Recently

By BETTY MITCHELL DA 6-4488

There was no more surprised woman in Walteria than Mrs. June Pappas, of Winlock Rd., when a group of friends and neighbors got together to give her a stork shower. The eventful evening was Friday, Oct. 7, while the place of revelry was the Winlock Dr. home of Mrs. Barbara Alford. Co-hostess planning the party was Mrs. Lois Robinson, also of Winlock Dr. The guests entered a world of gay decorations as they entered the home, done in pink and blue streamers descending from the ceiling, along with a huge stork. Miniature storks were also placed about the room, with another large one sparking the table decor.

Games added to the hilarity, and the opening of the many lovely gifts raised many o'hs and ah's from the group. Fruit dessert and coffee served along with the beautiful cake done in white with pink rosebuds, storks and "Welcome to the new baby" added to the pleasure of the ladies.

Those enjoying the party included Mable Dumeshousen, Sylvie Dumeshousen, Mae Wilson, "Beanie" Owen, Millie Myers, Norma Myers, Phyllis Youmans and Irba Cemper.

Sorry to hear that Mrs. Marie Cunningham, of Lakewood, proprietor and manager of a local shop and known to many Walterians, is in the hospital, but she is recovering from surgery. May we extend our best get-well wishes to her. Helping out while Marie is recovering are Joyce and Jimmy Williams, of Newton St., who have extended their hospitality to the Cunninghams' son Jimmy.

The Pacific Hills Home Owners Association held its general meeting last Monday evening at the school auditorium. Approximately 25 members were present with guests including Nick Drake, city councilman, and the president, parliamentarian, and secretary of the newly-formed Torrance Hill's Civic Association. The evening was spent in a discussion of the dump proposed for the old ditch pit on Rolling Hills Road.

This dump would be a "cut and cover" type of operation of non-combustible rubbish including soil, cement, rocks, etc. The project would supposedly be hidden from view by the planting of trees around the dump. There is one question imminent in our minds. How are you going to get rid of the dust and undesirable traffic by planting trees? Not only that, but there are also areas which rise above the elevation of the dump, which no circle of trees can shield. We fail to see where such a project, which will be taxed for, can be an asset to a residential community.

Welcome company at the home of Mr. and Mrs. Wilbur McFarland, of Danaha St., are Louis and Ina Lou Milgate, of San Francisco. The Milgates have many friends in our town since their former residence was on Newton St. They are accompanied by their two daughters, Laurie Sue and Carol. Carol, by the way, is a very recent addition to the Milgate family. She is not quite a month old.

The Walteria Business Women's Club held its monthly meeting last Thursday evening and enjoyed a delicious steak dinner. The evening was spent planning a fun filled night for November when they will have their annual "husband's night." On that evening the ladies and their husbands will have a pot-luck dinner.

Our hats are off to a member of our community who has proved his interest in the young people of this town by donating a week end of work to grading the lot to be used for the scout and youth building being furnished by the Walteria Business

Men's Club. The land, which is located on Madison St., two blocks south of Newton St., has now been graded and is ready for use. Thanks to Ninwood.

Mrs. Robert Wagner of Winlock Dr., this week announced the names of new leaders in our town who will be working with the scouts. A hearty "thanks" goes to these women who are willing to spend time and effort providing a useful scout program for the youths. They are Mrs. Tony Brewer, Mrs. Virginia Graham, Mrs. Dolly Crane, Mrs. Jean Warr, Mrs. Virginia Carter, Mrs. DeDe Ullman, and Mrs. Elin. These leaders will each take an orientation course at Harbor Hill's Auditorium on the 26th and 27th of this month. This will allow a new program started this year by the scout council, whereby each of the six cities of our section will take turns being hostess for the orientation courses held once each month. This month San Pedro is the hostess.

A large crowd of interested parents made the first general PTA meeting here in Walteria a great success. The carnival date is Friday, Oct. 28, Glen Hardcastle is the carnival chairman. Any help offered for the biggest project of the year will be gladly welcomed. The week following the carnival, Miss Clare is forming a group of mother's singers, which should prove to be fun for those mothers who enjoy singing.

News letter this week from Cub Pack 240C gave the following names of men who will serve the pack this year. Bill Addington is the new cub master, while Raymond McLaughlin will serve as ass't. Cub master Troop committee chairman will be Ralph Collins. Allen Benedict will be secretary for the coming year and treasurer will be Everett Balcom. Bruce Richardson is Sgt. of Arms, while Ed Rowell will be in charge of ceremonies. John Cork is institutional representative. The sponsor of the pack is the Walteria Business Men's Club.

Mrs. Burke Mosley, of Ward St., recently attended a conference for the Council of Church Women. It was the state conference for the council, held on Oct. 5 and 6 at Mar Casa Balboa. Also attending from the Torrance area were H. M. Sippey and Mrs. A. G. Salmon. Mrs. Mosley also attended the Christian Women's Fellowship of the Christian Church on Oct. 10 and 11 at Pacific Palisades.

The Women's Society of Christian Endeavor in Walteria has announced their year which will be held this year on Nov. 12, and will have the name "The Village Square."

Boy Scout Troop 240 has announced new officials. They are Bill Read, Master, Robert Wagner, asst. Master, and C. W. Johnson, explorer advisor.

Student Wins Bicycle in Coloring Contest
Jan Harrell, 23702 Susana Ave., has been awarded a bicycle as the winner in a national card coloring contest sponsored by a food company. Jan, a student at Hillside School, won first prize in the 8-7 year age class.

Kraft Representative Given 10-Year Award
The Kraft Foods Co. plant in Los Angeles, honored Joseph Graziano, of 1903 Beach Ave., on Oct. 14th, when he was given the Kraft Award representing the company's appreciation for 10 years of loyal service.

PEST DAMAGE
Various kinds of pest destroy up to \$3 million of grains in Indiana a year, surveys indicate.
