Immediately following, Lloyd Jones, school principal, introduced individually the faculty. Mrs. Esther Steele, vice president of the PTA, then introduced the board members individually. The school band honored the assembly with three well presented selections which were followed by an informative talk on "How Torrance Provides for Physically Handicapped Children," by W. Hamilton, of the Torrance School System. This talk inspired heartwarming reassurances for the wonderful care and program for handicapped young ones.

The business meeting was conducted by the vice president in the absence of the president who is vacationing and was mainly based on the assembly's adoption of the proposed budget as set up by the finance committee and ratified by the board.
