

Torrance Second In Chest Drive

Torrance stands second among harbor area cities in Community Chest campaign collections to date, with \$7,484, 40.43 per cent of the city goal of \$18,510 turned in.

City Chairman Phillip Lisman said yesterday, "Only city ahead of Torrance in percentage of quota attained is Lomita-Harbor City, with 66.39 per cent collected through neighborhood solicitation. Torrance leads the four major industrial cities of the harbor area in Chest collections, Lisman declared. Wilmington is third with 26.18 per cent, San Pedro has 18.12 per cent and Gardena 17.61 per cent of their Chest goal."

In residential solicitation, Mrs. Betty Rowell reports that four out of six divisions have achieved their quota. She cited division chairmen Mrs. L. C. Wing, Mrs. E. E. Carlstrom, co-chairmen Mrs. Betty Lundeen and Mrs. Patty Brock, and added that her own division is "over the top." Funds from Torrance neighborhood solicitation posted at campaign headquarters to date amount to \$760.01, 16.12 per cent of the goal of \$4,714, but Mrs. Rowell emphasized that this does not include money collected, but not yet officially posted.

Bank Issues \$195,000 in Club Checks

Marking the near approach of the Christmas shopping season, distribution of Bank of America Christmas Club checks totaling \$195,000 to residents of Torrance was announced yesterday by Dean L. Sears, manager of the local branch.

Sears said that Bank of America will distribute \$52,500,000 throughout the state to 435,000 club members who have followed the popular Christmas savings plan during the past year. This is an increase of \$4,500,000 over the amount distributed to 400,000 Californians in 1954.

Christmas checks receive a warm welcome from club members, Sears said, and are used to help fill the children's Yuletide stockings as well as providing funds for the payment of taxes, insurance premiums and other special purposes. He added that Christmas Club accounts for 1956 are now being opened at the branch.

headed by Mrs. Bernice Goodwin, were the first group in the Harbor area to top their quota, Lisman continued. Their collections stand at \$487, 18.87 per cent of their goal of \$419. Dr. Joseph P. Bay, advance gifts chairman for Torrance, announced that his committee members have brought in a total of \$2480, 44.22 per cent of their \$5250 goal. A contribution of \$2000 last week from Jaime del Amo, president of the del Amo Estate Co., helped boost this total, Dr. Bay said.

Business Leads Harbor
In small business solicitation, chairman Robert Waddell said that \$819, 63.69 per cent of their goal of \$1290, has been brought in, thus leading business divisions in the harbor area. Commerce and industry chairman John Ebbinghouse reported collections totaling \$2928, 42.83 per cent of their goal of \$6837. This amount includes gifts from Torrance firms, as well as results from Chest campaigns among employees, and is the highest percentage of commerce and industry goal attained by any harbor area city.

Lisman also announced that all Community Chest volunteers in Torrance have been invited to attend the Associated Cities Report Luncheon next Tuesday, Nov. 15, at noon in the Pacific Ballroom of the Statler Hotel. The charge is \$1 per person and reservations may be made by calling TE 2-0331. The program will include awarding of campaign trophies, music and entertainment.
