NEXT CHRISTMAS IS COMING TOO!

If you love Christmas, but hate the year-end crop of bills for gifts, taxes and other expenses, here's a fine way to put aside all worries. It's the 1956 Bank of America Christmas Club and people all over our town have discovered it's the made-to-order way to save for the expenses they'll have. All you do is figure the amount you'll need then save systematically, making deposits of \$1, \$5 or \$10 weekly for 50 weeks. Next year your check for the full amount saved plus interest will come in mighty handy, and you'll have real peace of mind. It's the best way to save for Christmas, so why not join today?

GOT YOUR EYE ON A BUY?

Wonderful is certainly the word for the 1956 cars. Maybe one already has caught your eye—but lack of ready cash keeps you away. If so, take this hint from many of your neighbors and finance your buy through Bank of America *Timoplan*. Arrangements are easy and you can pay out of income in small monthly instalments. Over 2,000 California car dealers offer low-cost *Timoplan* financing or, if you prefer, come into our bank. *Timoplan* is a good idea if you'd rather stick with your old "bus," too. You can finance an overhaul, top-to-bottom reconditioning or repair—all you need to get your car in tip-top condition, all at one time.

? B of A Quiz Corner ?
