Seniors Cop Marymount Singing Title

The seniors won the second annual song contest held last week at Marymount of Palos Verdes School.

Under the direction of Ann Eaton, the seniors took the sweepstakes award with the theme, "Covered Wagon Days." Dressed in full, colored skirts and white blouses, and bedecked with carnations in their hair, they sang a group of western melodies. Their setting was a wide-open prairie in front of a wood fire.

Flapper Girls

The Juniors were second, with the "Roaring Twenties" as their theme. Directed by Jacques Meuser, juniors were seated in a large framed picture and dressed in flapper era costumes.

The prize for the outstanding decorations went to the sophomores, with the theme, "Water Wonderland," and songs of the sea. Deborah Lee directed them before a setting of grass rugs and a large water scene. They were dressed as water nymphs with colored leaves attached to costumes and gold tinsel in their hair.

The seniors won first place for the class song, team song, and school song, while the freshmen took the coach song honors.

Judges for the contest were Rev. Mother Cecelia, RSHM; Mr. and Mrs. Jack Webb, Mr. and Mrs. Frederick Zens; and Miss Virginia Beninger.

Webb awarded the song trophy. The entire program was student-directed and produced.

Parking Lamp Outlawed for Night Drives

The California Highway Patrol reports that many motorists are still using parking lights as driving lights.

"The law prohibits the use of parking lights as driving lights at times when headlights or foglights are required," declared Patrol Commissioner B. R. Caldwell. "This law was necessary to correct an obviously dangerous practice.

Parking lights when used as running or driving lights have a tendency to deceive other drivers by creating illusions of distance and speed of oncoming vehicles," Caldwell said.

"We urge every driver to develop the habit of lighting the headlights, not the parking lights, when first turning on car lights at dusk or whenever impaired visibility requires lights. This will help other drivers and pedestrians see your vehicle better and will provide more safety at times when our traffic accident rate is highest."

Saturday Is Good Turn Day for Cubs, Scouts of the Southland

Good Turn Day is coming for Cubs, Scouts and Explorers in the Harbor District of the Los Angeles Council announced Commander A. F. Benscheldt, activities chairman.

Dec. 3 is the date for picking up clothing, shoes etc, that have been placed in bags which have been distributed all over the area by Scouts in preparation for this giant Good Turn Day.

Four agencies, the Goodwill Industries, Saint Vincent de Paul Society, the Salvation Army, and the Volunteers of America, will benefit from the cooperation of the whole Los Angeles Council who are working with Crescent Bay, San Fernando Valley, San Gabriel Valley and Verdugo Hills Councils.

These four agencies, insofar as their salvage operations are concerned, are self-supporting welfare agencies operating in behalf of human rehabilitation. The primary purpose of these agencies is the reclamation of human values by providing work opportunities for handicapped, unemployed or unemployable men and women.

In the Torrance Area there are 14 Cub Packs, 14 Scout Troops and 7 Explorer Units that may take part in this Good Turn Day, and they will be in action during the coming weeks, placing the bags in the homes of their neighbors and making plans to pick them up on Dec. 3.

When the clothing is picked up by the Scouts it will be taken to a central collection point and from there will be distributed to a warehouse for distribution to the agencies who will repair, clean and place into service hundreds of thousands of pounds of usable clothing.

A citizens committee headed by Justice W. Turney Fox is working on the project, and Justice Fox points out that this Good Turn Day benefits Scouts by encouraging them in their civic responsibilities, the workers by giving them something to work on, the receiver by giving him useful and warm clothing for the coming winter, and the donor by giving him the warmth that comes from the GOOD TURN.
