

'Mail Early for Christmas' Urged by Local Postmaster

Reporting that her "Mail Early for Christmas" campaign is really in high gear, Postmaster Clara A. Conner today gave some helpful hints on how you can be sure that your Christmas cards will reach everyone on your list before Dec. 25th.

"When you use three cent stamps on your Christmas cards, you get first-class mail service," she said, "first-class friends deserve first-class mail and the use of first-class postage makes it certain that your Christmas cards will be delivered promptly. Also, use of first-class postage insures forwarding service if the addressee has moved or the card will be returned to you if the

recipient cannot be located. Then, too, on Christmas cards sent by first-class mail, you can include handwritten messages making your greetings more personal."

Use Return Address
It is perfectly correct and, in fact, advisable to include your return name and address on each Christmas card envelope. This helps your friends to keep their mailing list up-to-date and insures correction of your list if the card is returned as undeliverable.

Postmaster Conner warns that if any of your Christmas card envelopes are larger than 9"x12" or smaller than 2 1/4"x4" they must be sent by first-class mail because such cards

require cancellation.

Separate Cards
When your Christmas cards are ready to mail, you will do both yourself and Postmaster Conner a real favor by putting the cards with local addresses in one bundle and those for out-of-town destinations in another. Then mark each bundle with special identification labels you can get free at the Post Office which read "ALL FOR OUT-OF-TOWN DELIVERY" and "ALL FOR LOCAL DELIVERY."

If you have a large card list mail your out-of-town Christmas cards several days in advance of those for local delivery and try to get all cards for distant points mailed by

Dec. 15th and those for local delivery should be started on their way at least a week before Christmas.

Mail Gifts Now
Regarding the mailing of Christmas gifts, Postmaster Conner points out that right now the big double rush is beginning with the out-going Christmas mails paralleling the flood of incoming packages and Christmas cards. She urges that you get your out-of-state packages into the Post Office within the next day or two and do everything possible to mail all of your Christmas gifts for local delivery by Dec. 10th.

The Postmaster said that she would appreciate cooperation

Tartar Choir to Sing At Disneyland Tuesday
The Torrance High School choir will appear at Disneyland's Christmas Bowl next Tuesday, Dec. 13, in the first celebration of the Christmas season at the new Southland attraction.

The group, under the direction of Glenn F. Hawley, consists of 70 members and will present a program of traditional Christmas music.

tion from all business firms to delay the mailing of catalogs which started last Sunday. They expressed optimism that the goal would be attained adding that much depends on the success of the final effort to

Final Appeals Go Out Tonight For MD Battle

Scores of determined volunteer workers will make their final house-to-house calls in Torrance tonight in a final drive to help the Los Angeles County Muscular Dystrophy Association reach its \$110,000 fund appeal goal for 1956.

Mr. and Mrs. Edmund Ingalls, southwestern area chairmen for the solicitation, said yesterday that their volunteers met with good success at the opening of the five-day march which started last Sunday. They expressed optimism that the goal would be attained adding that much depends on the success of the final effort to

night.

"Funds will be used to finance the 1956 program which includes operations of the MD center at Good Hope Clinic, 1241 Shatto St. in Los Angeles, under the supervision of the University of Southern California School of Medicine. At this clinic diagnosis, therapy, and counseling is available and wheel chairs, braces, corrective shoes and other mechanical aids are prescribed and provided."

"Therapy also is provided in seven hospitals and medical centers throughout the county for

and in patients' home.

"The 1956 program includes \$200,000 budget to provide special mechanical equipment for victims, an ambulance to transport patients to treatment centers, emergency services will be available to MD victims in the Torrance area. Those not reached by volunteers can mail contributions to Muscular Dystrophy Association, Los Angeles 5."
