## Parents Plan Program for Newton and Riviera Schools

By MARY WEBB  
FR 5-3051

Plans for the coming seventh and eighth grade dance program for Riviera and Newton students were made at a meeting of interested parents last week, according to Mrs. Lorraine Klingler, chairman. A dance is planned this Saturday at the El Retiro Park clubhouse, with special dances and community singing featured.

The dance program will be a parent-sponsored group, and will be under the able guidance of Mr. and Mrs. Paul O'Halloran, 308 Via Pasqual; Mr. and Mrs. Dean Rudisell, 109 Via Alameda, program planning; Mr. and Mrs. Harry Simon, 634 Calle de Arboles; Mrs. Ralph Dale, 204 Via Buena Ventura, refreshments; Mrs. Charles Fischer, 156 Via La Ciruela, telephone. Planned for future discussion was use of the school cafeteriums, in which to hold the monthly school dances. It was decided to continue employing a dance band instead of using records.

Congratulations to the family of Mr. and Mrs. George Hummel.

The Riviera Sportsmen officially opened their tree lot on Dec. 10, at the corner of Ave. I and Elena St., Riviera Village.

The annual Yule-tide cookie bake was held at the home of Mrs. Lyle L. Mitchell, 230 Calle Miramar, on Tuesday, at 8 p.m. The cookies were boxed and taken to the bed patients at the Long Beach Veterans' Administration Hospital.

Mrs. Al Koester assisted the hostess in serving tea and coffee. These meetings are held once a month, any woman in Riviera can bake cookies and attend.

Anyone wanting to bake cookies but unable to attend the monthly meetings have only to call Mrs. Al Koester and she will see that the cookies are picked up. FR 5-3980.

### The Pacific Coast Little League ball players listened to pros and cons of the national headquarters centering in league disquisition at Williamsport, Pa.

Reports were made on the Thanksgiving Dance held recently, and it was a great success financially. Money made on the dance will be used to buy pipe for a sprinkler system for the ball park. This coming week end the sprinkler system will be installed and all fathers are asked to bring shovels or pipe wrenches to help with the work. Anyone interested in becoming a Little League ball player will have the opportunity next year because ECLL Board of Directors decided, that in spite of National Little League controversy, to go ahead with required procedure to obtain a franchise to play baseball in this area next year.
