'Sinner's Saviour'

If you're saving for their college education...

Where you save does make a difference

The difference, you'll find, is well worth looking into. Because you get these important advantages when you put your savings in insured Savings and Loan Associations Excelâmt returns from your money is one advantage. Modern, efficient, forward-looking service is another. And, of course, your money is safe because in insured Savings and Loan Associations your savings are protected by sound management and substantial reserves. They are insured up to \$10,000 by the FSLIC—an agency of the U. S. Government. No wonder Americans are now putting more of their savings account follars into insured Savings and Loan Associations than anywhere else!

A. Behold, He comes with clouds; and every eye shall see Him, and they also which pierced Him: and all kind is of the earth shall wait because of Him.—Rev. 1:7.
