**The North Hi Breeze**

By LEILA SANTOR

"Stardust and Snowflakes," the Girls' League Winter Formal will be held tomorrow night in the cafeterium. Saxons will dance to the dance band and stardust will provide the mood.

North High was honored by the presence of Earl McDaniel, KPOP disc jockey, at a special Christmas assembly in the gym yesterday. This program, being the first to be held in the gym, consisted of some "secret" celebrities.

The Fall Sports Award Banquet was held in the cafeterium last night, at which time letters were presented to those who were outstanding in cross country and football, and certificates presented to those who lettered for the second year in a sport. Many athletes and their fathers, attended this banquet.

Elections for class and league officers will be held in the beginning of January. Campaigning has already begun. All officers will be installed in the last half of the month.

The turnout at the Chadwick basketball game was pretty good, but not good enough. Let's see more of you out there.

Many Saxons finished out the evening at the Las Sirenas after game dance, in the cafeterium.

North High really looks like Christmas with the pretty bulletin boards and other decorations.

The Art Club did a fabulous job decorating the administration building and the library. It's awfully quiet around campus with exactly 111 students out working. That may not seem like so many but it sure makes a difference, especially among the upper classmen.

The Frosh are "on the ball." With the collection of their class dues coming to a close, the class of '56 is planning a New Year's Dance, "Hello, '57!" Jan. 4, in the cafeterium. Come to the dance, frosh, and save money! Admission for "dues payers is only 25 cents. Others (upper classmen) have to pay 50 cents without ASB and Activity Cards, and 35 cents with.

**Bandolis Plan to Spend Yule, New Year's in Latin Climate**

By EM FRENCH

The Marvin Bandolis are going to be in Guaymas, Mexico, for Christmas and in Mazatlan for New Year's Day.

Jeanne and Mary lived in Mexico City about 10 years ago, but it will be the first trip across the border for Marny, 6, and Eric, 4. Marny is especially excited about the trip because it will give her a chance to use some of the Spanish she has learned in kindergarten and first grade.

Her dad speaks Spanish fluently and Marny can count from one to 10, so between the two of them everything should be fine, language-wise. Santa Claus is coming early to Grandmother's in Santa Monica on Saturday, Dec. 22, and then they'll leave the following morning.

Anyone planning to go to the Las Vecinas Christmas Dance at the Portuguese Bend Club, Friday, and who notices that the tickets say "Dinner from 9 p.m. to 9:30, shouldn't get all shook, as the teenagers say. "Tis an error in printing, actually the buffet dinner will be from 9 to 10:30.

I was down at Nordones for my 478th pizza and my 234th order of lasagna (well, actually I'm ashamed to keep count, it's all so good) and Angela and Louie were telling me about their recent trip to South

America, Puerto Rico, and Guatemala.

While visiting a nephew in Venezuela they took in the bull fights. They returned by way of New York and Canada, visiting relatives in Rochester whom they hadn't seen in 18 years. While they made the long hops on their trip by plane, they took many side trips by auto and saw some really wonderful sights.

Fifth grade Girl Scouts of Troop 59 are doing their part to make Christmas last all year long. They placed boxes at Riviera School for a used toy collection for "Toy Loan," an organization which distributes toys to over 30,000 children each year in greater Los Angeles. Boxes overflowed long before Friday afternoon, the time scheduled for pick-up.

Troop 156 is conducting a similar drive at Newton School this week, with Monday scheduled as the final day. Any kind of toy in any condition is acceptable.

This is the first experience for girls of both troops in working on a community-wide project, and the girls with their leaders, Mrs. Lloyd Brown and Mrs. Donald Mason, of Troop 59, and Mrs. Joseph M. Stuart and Mrs. Robert Sullivan, of Troop 156, thanked Principals Webster Smith and Donald Duncan and the teachers for all the help they gave in the drive.
