

TORRANCE "FAIR LADY" . . . Modeling the El Camino College "Fair Lady" hair style is Elizabeth Hedgecock, 1714 Arlington Ave., Torrance. A graduate of Torrance High School, Miss Hedgecock is training to become a beautician in her mother's beauty shop, Eleanor Wilcox, of Manhattan Beach, is the student hair stylist of the original creation.

## Eyes and Lips Have It . . . in Milady's Grooming for Spring

By ELEANOR B. GILBERT

In observance of National Beauty Salon Week, Feb. 10 through 17, student members of the Cosmetology department at El Camino have designed an entirely new hair style, named the "Fair Lady." This style is less bouffant than that shown in the fall. At its longest, it is three inches at the nape of the neck. Molded closer to the head in deep waves, the "Fair Lady" tapers around the head and features a "wispy bang caressing the forehead slightly on one side."

"We're using more waves than curls in our hair styles for spring," said Mrs. Marguerite Robinson, instructor in the cosmetology department. More golden tones will be used to highlight the hair rather than the platinum or ash blond shades, and most styles will require a light "perm" as a basis for the molded deep wave. For summer, this same style will be worn a little shorter with an "O" neckline, a wave molded into the neckline with no curls. This style is becoming to most people, according to Mrs. Robinson, but needs interpretation according to the individual face.

The "Fair Lady" hair style was created by a styling council composed of three students each from the senior, junior and freshman divisions of the cosmetology department.

### SKIN CARE

For skin care, the trend is toward liquid cleansers and flowing, water-soluble creams, according to Mrs. Beulah Mezzanatto cosmetology instructor at El Camino. The moisture creams tend to keep the skin more firm and plump, retaining the skin's normal moisture rather than dehydrating it.

The trend is also toward the more natural look, with the emphasis on the eyes and lips. While the eye-brow line will follow the normal curve of the eye socket, the peak of the brow will be accentuated and the outer edge raised for a younger look. Lips will no longer be peaked, but will follow a soft broad curve, with the lipstick applied with a brush. True reds, "pink" reds and some orange reds will be the spring colors.

Teen-agers will use only lipstick, in pink and coral shades, with an eyebrow pencil used for evening parties, according to Mrs. Mezzanatto. She adds the most important thing is to keep the skin clean, cleansing at least twice a day with one of the new flowing type cleansers. Soap and water is good too, if the skin is not sensitive to it. The 13-year old would feel different if she was the only one not allowed to use lipstick, Mrs. Mezzanatto said.

### TIPS FOR TEENS

Mrs. Margaret Erickson, also cosmetology instructor at the college, added several tips. Teens should shampoo at least once a week as an aid to keeping the skins as well as scalps in better condition. Spring colors will run to the lighter pinks in lipsticks and nail colors. Frosted nail-shades will continue to be popular. Pedicuring will have a greater emphasis for spring and summer. New plastic nails, built up in layers, are longer-lasting and quite satisfactory. Mrs. Jessie Lewis, of the department, added that true reds are the most flattering for most women.

In talking with Mrs. Ruth Davis, a certified beauty consultant and owner of the local cosmetic shop bearing her name, she declared that the eyes will be the main feature this year. Skin tones will be in the ivories and beige tones, with a little rouge to add the pink tone to the skin and to "awaken" the eyes. Eye-liners will help create the Oriental or exotic look called for by the spring fashions. Blue will be the leading eye color for all hair-colors; blue in eye shadow and in mascara, with black

## Group's New Year Program Is Under Way

Eta Kappa Chapter of Epsilon Alpha sorority met for their first meeting of the new year at the home of Mrs. Kenneth McVey, 3825 W. 176th St.

Mrs. Charles Pfeffer, president, conducted the business meeting in which Mrs. Carlos Espinoza and Mrs. Vera Trujillo were appointed as representatives to the February Council of Epsilon Sigma Alpha and the group decided to enter a float in the All-American parade.

Volunteers' service hours given to the Harbor General Hospital were tabulated. Announcement of the "Fashion-fabrics," the 10th annual fashion show sponsored by the Hollywood Epsilon chapter, was made. The affair will be given at the Ambassador Hotel on Feb. 24. Those from the Kappa chapter planning to attend are Mmes. Roland Stamm, Charles Leichtweis, Eugene Phillips, Robert Holmes, Kenneth McVey.

For the education portion of the program, a round table discussion was held on the book "A Laboratory of Self-Appreciation." The phrase "How Personality Is Expressed by the Body" was studied under the direction of Mrs. Eugene Phillips, education chairman.

Next month's subject will be "The Fine Arts of Talking and Listening." Each member will record her voice and it will be played back for criticism.

### CHARMING GUEST

Miss Allison Work has spent the past week here with her grandmother, Mrs. Grover Whyte, while her parents, Mr. and Mrs. Robert Work attended the CNPA convention in San Francisco.

### AT ARROWHEAD

Mr. and Mrs. Delbert Thomson and children spent a recent week end at Arrowhead, enjoying the snow sports. They were joined on Sunday by Mr. and Mrs. Ralph Rugraff.

There seem to be two distinct trends for spring, one toward the more natural and the second toward the exotic or Oriental in eye-makeup. Beauticians each have their own individual preferences but advise the style-conscious ladies to try them both and select the one which they feel best express them and give them that "lift" for spring.

The staff of the cosmetology department cordially invites the public to visit their department and to see their displays during National Beauty Salon Week.

## LODGE CONVENTION HERE ON MARCH 30

An interesting meeting was held by the Torrance Royal Neighbors with Oracle Walker presiding. Announcement was made of the committees for the year, and Past Oracle Norris was appointed chairman for the February card party.

District Deputy Gaston of Lawndale led a discussion of plans for the Southern California Association of Royal Neighbors annual convention, which will be held in Torrance on Saturday, March 30. Further plans will be made at a later meeting; as this convention is always an outstanding occasion with the numerous Camps participating, and usually draws an attendance of around 500 at both the afternoon and evening sessions.

After the business meeting a social hour was enjoyed, with refreshments served by Neighbors Norris, Disario, Shephard, Baker and Benton.

### LUNCHEON GUESTS

Mrs. Mark A. Wright and daughter, Marca, were luncheon guests of Mrs. Leon Gieser of Los Angeles last Thursday at Perino's.

## My Neighbors

"My husband's hobby is arguing about politics. How about yours?"

## 'How to Have More Faith' Named Topic

Dr. Earl D. Barnum, minister of the Church of Religious Science, Ruby St. and Catalina Ave., Redondo Beach, Sunday, will discuss "How to Have More Faith."

Sunday services of the church and the Metateens will be held concurrently at 11 a.m. The Children's Church services will begin seven minutes before 11 o'clock a.m. A nursery for infants and the younger children is provided and is under the supervision of a registered nurse.

A 15-minute meditation period precedes the church services with organ music by the church organist, Jean Rhodes. The "Inspiration Hour" services are held each Wednesday at 1 p.m. in the classroom at 503 S. Catalina Ave. Dr. Barnum's subject for this week is "The Constant Availability of Power."

## SHOW THIS TO YOUR HUSBAND!

Tell him it's you without an electric clothes dryer - hung up and "washed up" after you've stretched, stooped and pinned your way through still another basket of clothes.

Tell him the cure: a shiny new electric dryer. It saves you the lifting and bending and dependence on the weather. It saves clothes - they dry fluffier, cleaner and fresher smelling. They last longer, too.

Tell him it has to be an electric dryer, of course. Because it's so safe. Because you simply plug it in. And because it costs less to buy! (Electricity is your biggest bargain in modern living.)
