

### One Day Left To Name Theme For '57 Fiesta

There is just one more day in which to enter your suggestion of a theme for the 1957 Fishermen's Fiesta. LaRue Thomas, president of the San Pedro Chamber of Commerce, which is sponsoring the competition, said that the deadline for entering theme suggestions is this Thursday. All entries must be addressed to "Theme Contest," care of the San Pedro Chamber of Commerce, and must be postmarked by midnight, Feb. 28.

A \$50 United States savings bond will be presented to the person sending in the best suggestion. Each person may submit as many ideas as he wishes, but each entry should be separate and preferably on post cards which also include the entrant's name, address and phone number.

The winning suggestion for the theme of this year's Fiesta will serve as a basis for decorating the fishing boats which will parade through Los Angeles Harbor as the climaxing event of the Fiesta. Themes used in past years include "Musical Memories," "National Holidays," "Toy Parades," and "The Sea Around Us."
