MOTOR CURE

INSTANTLY ENDS OIL BURNING!

MOTOR CURE is a pure petroleum base solvent — fills in, cleans, cushions and tightens all internal moving parts in your engine. With MOTOR CURE in your oil, you tighten and seal your rings — all done by-pass the rings and all consumption is cut tremendously.

RAISES COMPRESSION!

LOOK AT THE RESULTS OF THIS TEST:

CYLINDER NO.	1	2	3	4	5	6	7	8
BEFORE MOTOR CURE TREATMENT	75	79	70	73	75	69	69	85
AFTER MOTOR CURE TREATMENT	110	105	117	109	113	118	118	119

The above test was made recently by a world famous Indianapolis 500 mile race winner (name on request) on a 1947 Buick — impartially and completely independent of any influence by Motor Cure.

INCREASES GAS MILEAGE! **\$1.95**
