## GREATEST ADVANCE IN COOKING!

YOU SET ANY PAN...

ON THIS GAS RANGE BURNER... AND

TURN THIS CONTROL TO THE EXACT DEGREE OF HEAT YOU NEED

Here's how automatic top burner temperature control helps you cook every food perfectly—every time!

**TOP BURNER TEMPERATURE CONTROL** is a completely automatic feature which works like your oven heat control. You simply dial exact heat specified on chart.

AS THE SENSING ELEMENT in center of burner feels the food in your pan reaching the selected temperature, it automatically and gradually turns gas down.

THIS MEANS that your food never cooks faster or slower than it should. Every pan you own becomes fully automatic. See a demonstration soon!
