Torrance High Newspaper Win National Honor

(Special to the Herald)

NEW YORK, March 16—Competing with some 1500 publications put out by schools through the country, the "Torrance News Torch," the newspaper of Torrance High School, took second place here today.

The awards were announced at Columbia University where 5000 young journalists and their faculty advisers have gathered for the 22nd annual convention of the Columbia Scholastic Assn.

City Sued for Fall

Martha E. Riggie, 2555 Eldorado, charged city negligence in a \$25,774 personal injury damage suit filed against the city in Long Beach Superior Court last week.

She charges that she suffered multiple injuries last May when she slipped on a one-step landing after inspecting zoning maps in the City Council chambers.

The suit charges that the city was negligent in maintaining the step in a safe condition.

Narcotics Arrest

Four men were arrested Thursday night on possession of narcotics after sheriff's deputies stopped the car in which the suspects were riding for a routine check-up.

Taken to Lennox Sheriff's Station and booked on the violation were James W. Thomas, 20, of 1728 W. 27th St., Long Beach; James R. Rice, 18, of 26417 Athens, Harbor City; Foy D. Sartor, 20, of 2038 W. 247th St., Long Beach; and Neil E. Schurman, 19, of 2028 W. 262nd St., Long Beach, authorities said.

Don Helen of Norwalk told Deputy Sheriff he committed the robbery to get money for heroin. He confessed that he was an addict.

The youth, AWOL from Fort Ord, told officers that on Jan. 21 he killed Owen Douglas, attendant at a service station at Whittier Blvd. and Rosemead Ave., when Douglas attempted to pull a revolver and defend himself.

Box Planting Attractive to Outdoor Scene

Whether or not the term "outdoor living" was coined in California is a matter of debate (Floridians say otherwise), but certainly Californians enjoy a maximum of outdoor living and in this outdoor living, many extend their gardening area to include planter boxes containing a great variety of shrubs and flowers.

While they eat, sleep, read and loaf outside in patios and terraces, Californians have a great opportunity to enjoy plants close-at-hand. Plants grown in containers can be moved about on a patio and become as familiar a part of the outdoor living room as the furniture is of the indoor living room, the California Association of Nurserymen says.
