

Sherfey Again Heads 1956 Committee on Salvage Week

J. Hugh Sherfey Jr. again has been named chairman of the citizens' committee which will aid the Salvation Army in its annual Salvage Week campaign in Torrance April 23-28. Other committee members are: churches, Rev. E. M. Northrup; schools, Mrs. Grace Wright; miscellaneous clubs,

Fredrick Cook; service clubs, Roy Peterson, and press, Red Lundy. Salvation Army Red Shield trucks will answer calls to collect castoff but still usable articles from local homes and offices. These will be reconditioned in workshops of the big Social Service Center which serves this area. This process provides a social rehabilitation program for needy and handicapped men.

Discarded articles contributed last year enabled the center to provide 270,110 hours of occupational therapy, 60,325 meals and 20,000 lodgings. In addition, \$185,283.56 was paid in salaries and cash grants to employes and client workers. Brigadier William J. Parkins, manager of the center, stressed that continuance of the program depends upon the contributions of salvage articles. These include clothing, shoes, furniture, dishes, mattresses, bedding, kitchen utensils, home appliances, silverware, stoves, radios, rugs, books, and miscellaneous articles.

Brigadier Parkins said all receipts from sale of reconditioned articles in Salvation Army Thrift Stores above actual operating costs are returned to the homeless and handicapped who seek aid. Chairman Sherfey urged local residents to save their cast-off articles for the Salvage Week drive, when a telephone call to FAirfax 2-1633 will bring a Red Shield truck.

GUARD DUTIES

The Coast Guard protects all U.S. ports against fire, sabotage, negligence and other important perils.

CLIMATE VARIETY

Tropical fruits grow in southern Tibet while in the north country the climate is almost Arctic in severity.
