Bowl Presents Easter Service

The 26th annual Hollywood Bowl Easter Sunrise Service will be held April 1 beginning at 5 a.m. and lasting for one hour.

More than 20,000 people are expected to attend the service which will be broadcast coast-to-coast by CBS and telecast locally on KTTV.

Methodist Bishop Gerald Kennedy will deliver the Easter message and sacred music will be sung by the Mormon choir and the Living Cross chorus.

A symphony orchestra composed of members of the Los Angeles Philharmonic Orchestra will play special Easter music.

The Bowl will be decorated with approximately 100,000 calla lilies.

Luther League Presents Play

"Down in the Upper Room," the Luther League Easter play, will be presented this Sunday, March 26, at 7 p.m., at the Park View Lutheran Church.

Mike Humphrey, president of the League, and others in the cast will portray what happened in the upper room where the disciples were gathered on Easter morning.

FOUNDING DATE

The LWCA was established in London in 1844.

The Bible

Two chapters of the Bible are nearly alike, namely, II Kings 19 and Isaiah 37. The former is divided into 37, the latter into 38 verses, verse 15 of the former is identical with verse 15 and 16 of the latter.

There are 18 verses which read precisely alike in both chapters.

The New Testament is composed of 266 chapters. Observe that this is exactly five times 52, the number of weeks, and accordingly five times the number of Sundays in the year.

By reading five chapters on each and every Sunday one would thereby accomplish the reading of the New Testament in just one year.

Subtracting the 52 Sundays from the 365 days in the year leaves 313 secular or week days. The Old Testament contains 929 chapters.

Accordingly, by reading three chapters on each and every weekday beginning with the first weekday in January, one would complete the Old Testament on December 28, two chapters only remaining to be read on that day. In a Leap Year such as this, the reading would be finished December 27.

ICED VEGETABLES

Crushed ice completely buries the crates of vegetables which are shipped by rail refrigerator cars.

CENSUS GAIN

From 1840 to 1900 the population of the United States increased from 5,308,383 to 76,994,975, a gain of 1834.1 per cent, probably the greatest in the nation's history.

Church Adds Services

Additional services will be held beginning this Sunday, March 25, at the Avalon Village Baptist Church according to Pastor H. J. Lanman. "Due to the rapid growth in the community surrounding the church, its quarters are inadequate for the increasing attendance. The church plans to have Sunday School for all ages at E. 223rd St.
