

Walteria PTA Plans Open House For Parents Here This Evening

By BETTY MITCHELL
DA 6-4438

The Pacific Hills Home Owners' Assn. held a very interesting general meeting on Monday, April 2, at the Walteria school auditorium. There was a good number of Walterian families who came to hear the various candidates for Torrance City Council address the meeting. Most of them found this a sensible way to get acquainted with the candidates and the campaign platforms.

The Walteria PTA will hold its general meeting this evening. The program will be interesting, including an open house from 6:45 to 7:30, during which time parents can visit the school rooms. During the actual PTA meeting the Mothersingers will sing and Mrs. Dolan's room will demonstrate their rhythm band. There will also be other student participation. Hostesses for the evening will be Mrs. Joseph Lawlor, Mrs. Homer Brannon and Mrs. Earl Foster.

Mr. and Mrs. Charles Jackson of Newton St. have had a very exciting and busy time the last two weeks. The Jacksons left on March 21 for the state of Washington for a short vacation. They journeyed to the San Juan Islands, near Vancouver, where they visited and then brought Mr. and Mrs. William Harnden, Mrs. Jackson's parents, back with them. This was indeed a momentous occasion since it was time for a double celebration. Seems the Harndens have been married 60 years and on Easter Day a family reunion took place at the Jackson home in honor of the anniversary, both of the wedding and of Mr. Harnden's 83rd birthday. Present to ex-

Send congratulations to the couple were their daughters, Mrs. Jackson, Mrs. Charles Bain of San Diego, Mrs. Hollene Flamingo of San Pedro, and Mrs. Denas Wall of Long Beach.

Unable to attend, but sending congratulations, was their fifth daughter, Mrs. D. W. Cole of Bellingham, Wash. Also present were Bill Cole and Mr. and Mrs. Clifford Feeney, grandchildren of the honored couple. Bill was visiting from the Edwards Air Force Base where he is stationed, and the Feeneys live in Victoria Knolls. The Feeneys' little daughter Gail was also present, making four generations participating in the event. A delicious dinner and a wonderfully decorated cake were served and the bride of 60 years was presented with a splendid corsage while the groom wore a white carnation in honor of the occasion. The Harndens will be visiting with the Jacksons about a month. May we extend our hearty congratulations to the long-wedded couple.

Glad to be able to report that Glen Ellis, Newton St., is home again after spending a week in the Good Samaritan Hospital with a back injury. He came home to a siege of chickenpox, however, since his three daughters are all victims of the red spots.

The local Women's Society of Christian Service is sponsoring a rummage sale on April 20.

If any of you have old clothing or odds and ends to donate the women will be glad to pick it up. Just contact Gloria Rose.

Seven local ladies enjoyed a trip to Sherman Institute in Riverside last week. The institute is a school for American Indian children from the age of 13. Nine hundred students live on the campus of the school and proved to be very good hosts to the visiting public. The visit was paid during the annual open house day at the institute and the ladies greatly enjoyed a most informative morning and afternoon. First on the agenda was a tour of the campus, including classrooms, where the visitors observed actual instruction of the students, the hospital, and kitchens. The ladies were served lunch and then observed an actual Indian meal prepared by the Indian girls in native fashion around a "fire-ring." The food so prepared was delicious, according to those lucky enough to get a sample of same. After the feast actual living habits on the reservation were demonstrated, even to the shearing of sheep, and the preparing and weaving of the wool into a blanket. Indian dances added their bit of color to the program as did the parade in Indian costume. The local ladies enjoying the open house included Mrs. Edna Cunningham, Mrs. Clara Pemble, Mrs. Doris Haven, Mrs. "Skipper" Baker, Mrs. Betty Williams, Mrs. Bonnie Beck and Mrs. Jean Cramer.

The Walteria Business Women's Club will hold its regular meeting at Nickel's Ranch this evening. Guests of honor will be the Scout leaders here in the community. The evening will prove to be a busy one with the rest of the year's ac-

TEAC Members Hear Need For New Scientists

Demonstrations of the role of science in the schooling of secondary students in Torrance were the main attractions at the monthly meeting of the Torrance Educational Advisory Committee Monday at the YWCA.

The science displays included brief presentations of principles of chemistry, physics and physical science. Miss Carmelita Rous, girls advisor at Torrance High School, was in charge of the program.

Keynote of the displays was the drastic shortage in scientists and engineers now faced by the nation and the means of over-

The Intermediate Youth are holding a bake sale this Saturday morning at the drugstore on Hawthorne Blvd. Those of you who enjoy home made baked goods will find many items to tempt your appetite.

coming these shortages. Several new policies, instigated to increase interest in the sciences in the two local high schools, were disclosed.

In other business, Mrs. Grace Wright, member of the Board of Education who acted as moderator at the meeting, announced awarding of bids for the

new Meadow Park School. The contract went to the Carter Mack Builders, Inc., of Har-

bor City for \$348,499. Work on the school, which currently is housed in temporary quarters, is scheduled to begin soon. Meeting for May 14 at the Y.

Complete loan service now available in Lomita. Terms arranged to meet your needs.
