## Bluebirds to Launch Season Here Sunday

Torrance's Bluebirds will launch their 1956 season here Sunday at the annual campaign Sunday at Torrance Park against Hills Motors nine of Highland Park manager Jack French reported Tuesday.

Game time is 2 p.m.

French said that several promising newcomers showed up at the Birds first workout last Sunday. Jack French, a catcher, has won the starting backstop position off his fine showing at the first practice, French said.

Bob Caton, a slugging outfielder, also will see some duty Sunday as will Barrett Lee, former TBS third sacker, who now bats at El Camino. Swayne Johnson and Larry Roy, veteran ball pounders, were impressive, too.

Tom Vanderpool, Charlie Camou and Jack Robinson will divide the mound duties against Hills Motors. Jack French, former SC Trojan pitching ace, has an infected rot but will be ready to go soon.

**Lineup**  
Murphy, 3b Kuhn, cf  
Strong, 2b H. Camou, rf  
Urbie, c Ordaz, ss  
Vanderpool, p Johnson, 1b  
Roy, lf

## Golfers To Open Loop Play at PV

Tartar golfers launch their League slate today as they meet Redondo at Palos Verdes.

Coach Joe Stuart, whose TBS men have already beaten Redondo twice this season, should have little trouble with the Seahawks. Dave Walker, team captain in the Ingleswood Invitational, is the top man for the Redondans.

Stuart probably will use Bruce Bielefeld, Steve Sherry, Jerry Thrall, Ron Hase, Denny Stewart and Doug Mills in the league opener.

The Tartars warmed up tomorrow's task by thrashing George Washington High Monday at Western Ave. The locals had a low net of 261.

## Two Local Boys On SJS Squad

San Jose State's Spartan griders opened spring drills Monday with two local boys, both lettermen, among the 90 reporting to Coach Bob Bronzan.

Pete Galloni, 180-pound end from Lomita, and Ingleswood's Don Greco, who converted at halfback for El Camino's Junior Ross Bowl team of 1954, are counted on to be the big cogs in the Spartan attack come this fall.

Galloni and Greco are two of 12 returning lettermen who will be the nucleus of the 1956 Golden Raider eleven. Of the dozen monogram winners, only three were regulars on Bronzan's 1955 squad, which won five, lost three and tied one.

Bronzan is due to retire after the '56 campaign, after seven years at the grid helm at SJS.

**CULLEN COMMISSIONED**—James F. Cullen, 22, son of Mrs. Mayme Cullen, 424 W. 44th St., was recently commissioned a second lieutenant in the infantry after being graduated from Officer Candidate School at Fort Benning, Georgia. Cullen entered the Army in March, 1955.

## Wilson Wins Contest In Golf Tourney

North High's fine golf crew launches its Pioneer League season tomorrow and runs right up against defending league and CIF champion Beverly Hills in the opener at Alondra Park.

The Normans have all six of their 1955 team members back to make things a little more tough for the opposition.

Coach Bill Wood will send out Bill Wilson, Dave Scott, Krohl, Rich Komonyi, Gary Little and Nick Urban in trying to halt Beverly Hills.

Wilson won himself a big honor Monday when he took first in the driving for accuracy contest at the annual Ingleswood Invitational "Tournament" for prep golfers. His drives of 218, 213 and 224 feet, all into the wind, landed squarely in the middle of the fairway to make him the winner.

Scott, the other member of the North High two-some in the tourney, made the top 10 in the putting contest, but stroked out of place in the final putting competition.

Dave Walker, of Redondo, took the 18-hole round of the tourney with a 73. All golfers shot their regular 18-hole round, then participated in the contests, too.

The tourney was held at the Ingleswood Country Club.

## NHS Tracksters Skip Relays to Meet Loop Foes

Coach Willard Morgan takes his Varsity, Bee and Cee think-tanks to Beverly Hills tomorrow at the Chesebrough meet with host Beverly Hills and El Segundo. First event gets underway at 2:30 p.m.

All three Pioneer League schools have decided to forego the annual Ingleswood Relays, scheduled today and tomorrow on the Ingleswood track.

Beverly looms the easy winner, with power in the dashes and the distance events to spare. El Segundo's spikers are an unknown group, with the exception of shot putter Dick Olsen, who has surpassed 55' in the weight event. He should have no trouble nabbing his event tomorrow.

Morgan expects Varsity points to come from Saxons Gene Daimler in the pole vault; Dave Campbell in the 100 and mile; Paul Carriero in the shot; Paul Chandler in the 800 and Bob Turner and Bob Walker in the quarter-mile go.

## JAYVEES BLAST HAWTHORNE NINE

The Tartar Jayvee nine thumped Hawthorne Tuesday, 6-1, to square its seasonal mark at 5-5 in a non-league go at Hawthorne.

Paul Molr tossed the win. Paul O'Kain rapped out two solid hits for the winners.

Last week the locals split a pair, edging Hawthorne, 3-2, after being beaten by Mira Costa, 4-1, in a Bay League game.

The Jayvees' league record is 1-1.

**APACHES DELIVERED**... Warren Baird of Baird Aviation Co. delivers the keys to the three Piper Apaches for North American Aviation to Mel Beach (right) and Don Neuse (left) while the Apache Twins, Charlotte and Maryanna Gutes, salute the firm on the occasion of the delivery ceremonies. In the background is one of North American's famed Super Sabres.

## Flowers Ready For Summer Planting

Summer is the time for great bunches of colorful indoor bouquets as well as for masses of brilliant flower rainbows in the garden and patio. In choosing plants for summer color, no flower exceeds the annual in providing beautiful and plentiful summer blooms.

For instance, suggests the California Association of Nurserymen, the snapdragon blooms in a wide selection of colors as well as sizes. The snapdragon is a cool-season plant and fine for early summer before arrival of really hot weather. Plant snapdragons in rows as borders or backgrounds or combine them with other annuals of contrasting colors.

**Other Annuals**  
Other beautiful annuals are French and African marigolds. Set out now, these plants will produce flowers as early as mid-summer. Depending upon the age of a particular plant, the blooming period begins as early as June and continues through late fall. Plant both in the sun. The French marigold is a bushy, branching plant with dark green foliage and strongly scented flowers brilliantly colored in brown, yellow, orange and gold. The African variety is considerably larger reaching one to two feet, has larger leaves and large double sulphur yellow to deep-orange balled flowers. It blooms through summer and late fall.

Miniature stock for excellent summer flowers in garden and home is the Malcomia maritima or Virginia stock. It has scentless blooms in shades of white, cream, pink, rose, arimson and lavender.

**Need Petunias**  
Of course, no garden would really be complete without petunias and you may choose from many varieties of ruffled, double, fringed and plain blossoms. Try petunias in containers or hanging baskets as well as in the garden bed.

For hot summer areas, or even in deep shade, no flower can beat the nasturtium or tropaeolum. There are two species and many varieties of this annual which blooms in shades of red, yellow, orange, mahogany, pink and scarlet. The nasturtium is especially good for brightening neglected areas of your home grounds.

Remember the growing habits of each flower as you plan your garden. Plant according to the form it will have at maturity whether it be spreading, tall or bunching. If you combine several annuals, plant them to complement the form and color of each other. If you meet these individual requirements, your summer months will be brightened by the wonderful color that only flowers can bring.

**FESTIVAL QUEEN**... Carolyn Culp, 16, is queen of 42nd Wistaria Festival, now holding forth at Sierra Madre. She was selected to reign during the spring flowering season of the world's largest blossoming plant, the Sierra Madre Wistaria Vine. The festival continues through April.

## GARDENER'S CHECKLIST

1. Delphinium clumps planted now will produce tall spires of flowers during June.
2. Don't forget soil preparation. Your nurseryman can make suggestions which will make your soil more workable. Your plants will be happier, too.
3. Gladiolus, Dahlias, and Canna roots should be set out now.
4. If frost is over in your garden, you can plant Fuchsias, Pelargoniums and Geraniums.
5. Aphids multiply rapidly during this warm spring weather. Don't let them get ahead of you.

## Second Cycle Program of Season Set Tomorrow

The second motorcycle race program of the 1956 season is billed tomorrow evening at Gardena Stadium with national champion Brad Andres and Daytona Beach winner Johnny Gibson heading the field. First race is set for 8:30 p.m. following time trials at 7. With an entry list of more than 100, the qualifying spins will be especially important.

Other standouts in the field include Tex Luce, Chuck Barney, Jack Kerzman, Al Gunter, Bob Shirey, Don Hawley, George Everett and Johnny Rich.
