

### Salvage Week Opens Locally On Monday

The annual Salvation Army Salvage Week will be conducted in Torrance next Monday through Saturday.

A special fleet of Red Shield trucks will call in answer to telephone calls from local residents who have discarded but still usable articles to donate.

The articles will be reconditioned in workshops of the Salvation Army Social Service Center which serves this area. This process will provide a social rehabilitation program for needy and handicapped men.

Donations of castoff articles in 1955 enabled the center to provide 270,110 hours of occupational therapy, 60,328 meals and 20,300 lodgings. In addition, \$185,282.56 was paid in salaries and cash grants to employees and client workers.

The program requires a constant inflow of usable materials such as clothing, shoes, furniture, dishes, mattresses, bedding, kitchen utensils, home appliances, silverware, stoves, radios, rags, rugs, books, and a bric-a-brac, according to Brigadier William J. Perkins, manager of the center.

J. Hugh Sherfey Jr., chairman of the citizens committee which is assisting the Salvation Army in the drive, urged local residents to telephone the local Salvation Army for a Red Shield truck during the campaign.
