## GREETINGS—

I want to personally thank you for the response to our message of last week. We broke all past sales records. There must be a reason. I sincerely believe in service after sale. By the way, our business is sound enough to stay closed on Sundays. Some businesses are not! SO AGAIN I REPEAT — —

To our many past customers and to the new ones in the future. We are CLOSED ALL DAY SUNDAYS. We reserve this day for you good people to come in to either of our giant locations. Come in — browse around while Mother is cooking the Sunday dinner. Put on some old shoes and kick a few tires. Look the car of your choice over real good. Take the license number down and call for price and terms. PHONE FA 8-5014.
