Senate Passes Tire Tax

Washington, D. C., May 29—The U. S. Senate has approved a new excise tax to be levied on all passenger and highway type truck tires. This new tax, which will become effective July 1st, is to help defray the cost of our new national road building program. Total tax on tires will now range from about \$5.00 to \$35.00 a set, depending on tire size.

NOTICE
