BEST IN MEET . . . Frederick Francis, on the victory platform, is presented the trophy for the top performance of the meet by the Army's BASEC commanding general. Francis was awarded the trophy on the basis of his four first places, including two new records, performance in the French track meet.

LOCAL SPIKER NABS FOUR FIRSTS IN FRENCH MEET

Frederick L. Francis, son of Mr. and Mrs. Paul L. Francis, 18513 Regina St., pulled the iron-man stunt in the Army's recent COM Z BASEC track meet in France as he covered 5700 meters, more than 3 1/2 miles, in winning first place in the 800, 1500, 3000, and 400 meters of the 1600 meter relay.

His top effort in the 1500 meter run was good enough to set a new BASEC record of 4:37.8, while the relay team's mark of 3:38.8 set a new standard in that event.

Outstanding Athlete
In recognition of his endurance feat the BASEC meet officials selected Francis as the outstanding athlete of the competition.

The commanding general of the Communication Zone Base Section presented the local star with a large trophy, emblematic of his triumphs. In addition to the trophy, Francis also took three watches and a set of luggage back to Camp Bussac, an Army post just outside the French port of Bordeaux.

Francis, a former Narbonne High cinder star, entered the Army in 1952, following graduation from Pierce Junior College. Upon completion of his initial training he was assigned overseas duty, arriving in Germany in August 1953.

He is presently acting as physical training non-commissioned officer for the 7808th Army Unit, Camp Bussac.
