

Lomita Property Owners Discuss Borough System

Merits of a borough system of government in Los Angeles County were discussed by members of the Lomita Property Owners and Registered Voters Assn., Inc., at a meeting held Thursday evening in Lomita.

Mrs. Don Myers, president of the association, said that under the borough system, there would be one top government, overhead expenses would be cut, and individual communities would have one representative, more money, and more independence than with an incorporation.

Even though the borough could not be brought in prior to the November election, the association indicated that the group could successfully oppose an incorporation move if all members got behind the opposition.

The directors of the group voted to draw up an open letter to the incorporation committee of the Lomita Chamber of Commerce in which they propose to ask why the incorporation movement has been made, and who the backers are. They also will ask for the wording of the petition that will be circulated, the group decided, and it will ask that a charter or plan for incorporation be

written prior to any incorporation.

Gambling Club Sought
Among the restrictions on incorporation asked by the property owners is the location of the five salaried offices of the new city, and a provision prohibiting location of gambling establishments in the area.

Future actions of the Lomita property owners group will be difficult to determine until the members know more of the plans for incorporation, Mrs. Meyers said.

Directors of the association attending the Thursday meeting in addition to Mrs. Meyers were Mrs. Charles Anderson, Mr. J. Alberg, Margaret Carter, George Sands, P. E. Thorson, and Mrs. Wella. Mrs. A. Kubican, Don Meyers, Charles Anderson, and Mr. Kubican were represented by proxy.

The public is invited to view the program, which begins at 1:30 p.m. Torrance Recreation Dept. is the sponsor.

Diamond Center
New York City is now recognized as the diamond cutting center of the world.

perly owns is the location of the five salaried offices of the new city, and a provision prohibiting location of gambling establishments in the area.

Aug. 4 Set As Move-In Day by Chief

The Torrance Police Dept. should be able to move into its new quarters on the Civic Center by the first week end in August, Chief Willard Haslam told the HERALD yesterday.

Haslam admitted, however, that a lot of details still had to be cared for before the force could occupy the new station.

Still to be completed, he said, is the plumbing in the building, telephone circuit, radio broadcasting system, and the power for the station.

City offices will not be moved until later in August.

Table Games Tourney Started At El Nido Park's New Building

By VERA C. WRIGHT
FR 2-2238

All El Nido school students have been eagerly awaiting the table games tournament which started yesterday at the El Nido Park. Competition in checkers, chess, and carrom highlighted the activities which were open to both boys and girls. This is only one of the many events taking place as part of the summer program which is now under way from Monday through Saturday, from 10 a.m. to 6 p.m. under the joint sponsorship of El Nido Park and the Los Angeles County Department of Parks and Recreation.

Julienne McVey, and Dolores Stinger model the children and young adults' clothing while our young ladies' mothers modeled the clothing. Models were Dolores Stinger, Sandra Bell, Edith Beck, Eloise Capps, J. Damerow, Pat Dohner, Peggy Dotson, Mary Gresham, B. Jackson, Jean Scott, C. Stinger, Gloria Stinger, Dolores Stinger. It's no wonder this show did not lack a professional look for Mrs. Midge Page was the model. Prizes galore were given and gallons of coffee and dozens of cookies were consumed. Everyone present received a sample lipstick. I know I'm not the only one who is eagerly awaiting next year's fashion show. Congratulations ladies!

The homes in our community evidently aren't the only ones that are acquiring a new paint job for it seems that Master Larry Torrence got attached to a good neighbor's can of green paint and proceeded to change the color of his attire as well as well has anyone ever seen green dirt?

Second of the remaining meals held by the El Nido PTA was the dinner held by Mrs. J. Westmoreland, 18305 Roslin Ave., and consisted of a mighty delicious casserole hot dish, green mixed salad, home-made cookies, iced tea, and coffee. Daughter, Mrs. Ray Torrence, was the winner of the prize. Susie Westmoreland welcomed guests while mom Westmoreland was cooking. Not bad for a young 7-year-old cherub, is it?

Popular young adults seen trudging towards Alondra Park every single day are David Taylor, Wayne Wright, Richard Davis, Bill A. Wright, Danny Jones, and Allan Scott. Oh, to be a young maid of 16 once again!!!

Happiest young adult in the midst was Joy Mandeau who was given a surprise party to celebrate her 16th birthday by mom and dad Mandeau. The patio was completely transformed to look like the carnival grounds with milk bottle booths, dart balloon business and pie eating contests highlighting the gay affair. Twenty-eight of Joy's friends were invited to share in the fun and frolic which lasted until the past midnight. Jeans and sweaters was the costume of the evening for both fellows and girls and you wouldn't believe me if I told you how the family maneuvered to get Joy in a similar outfit on her birthday!

Ensenada is the vacation spot for both families of Mrs. George Loring and Mr. and Mrs. James Witter. Mr. and Mrs. Witter are houseguests of the Loring's and are from Montana. They are very impressed with Torrance and are eagerly awaiting visit to Marineland after their return from Ensenada.

Slowly but surely becoming man about town as far as acquiring men fashions is concerned is David Minear of Laxar-Kan. Mr. Minear is happily looking forward to December for at that time he will be joined by his charming wife and son, David.

Emily Parsons, Jeanette Carlson, and Deborah Beedle should receive an orchid for a brand new idea. That of obtaining tickets to various television programs, then obtaining a good baby sitter, preparing meals for three days ahead of schedule, then starting out for Hollywood every morning.

Eating breakfast while rolling elbows with some of the stars, getting rid of all worries, going to three or four programs, then having lunch with no need to scurry home to fix dinner for it had already been prepared! These gals did this for three days and they strongly recommend it for anyone who has nothing to do and very little money to spend. I can't get over the talent we have in our community! All these new ideas!

Thoroughly enjoyed the "Midsummer's Dream of Fashion" fashion show which was held by the Scout Mothers' Club, Troop 783, at the Club Alondra on Tuesday. Chairman of the lovely affair was Mrs. William Boell (Moira) who was assisted by Mrs. T. R. Jackson in charge of the program; Mrs. John-Bush, Mrs. A. L. Mackenzie and Thelma Richards in charge of tickets. Stage assistants were Mrs. Delmer Kern, Mrs. Henry Wagner and Mrs. Pat Bennett. Fashion expert was handled by Mrs. Roy Dohner; prizes, Mrs. Ida Moschel; refreshments, Mrs. Winnie Corbett; publicity, Mrs. Kenneth McVey, with Mrs. Rodney Ballie as piano accompanist. It was a joy to spend an evening watching Mark Andiochese, Moira Boell, Jimmy Dohner, Terry Dotson, Carolyn Gresham, Chris Gresham, Suzanne Gresham, Greg Jackson, Karen Kern, Linda Kern,

A change from the cool stream of guests that the Blomdiche has been experiencing at 16825 Thornburgh Ave. proved to be fun galore in Claudine, Glenn and Jim Blake and friend Opal George.

Those two highlights in the community, Gloria and Carlstrom, are now sporting brand new address, 18305 Fonthill Ave. Best of luck your new home, nice people!

Many more happy anniversaries to John and Sally Post who just celebrated their 16th wedding anniversary and spent the week end in Catalina. One of the nicest gifts they received was the group of family plan tickets to Disneyland, enough for their entire family of six!

Luncheon and a shopping spree with her friend, Mrs. Quintal, continues to be an every Wednesday affair with Mrs. Anthony Rosa, of 18338 Roslin Ave. Belonging to this family is accordion talented little Tony Rosa and Maria Rosa.

Biggest laugh of the month was provided by my 6-year-old nephew, David Hooker, when L. Thompson dropped in to talk over the TAPS High Sierra trip which our sons are going on. David sidled over to me and in a loud stage whisper said, "Aunt Vera, is he real?"
