Scouts Plan Breakfast

Boy Scouts of Troop 753, north Torrance, enthused with the prospect of raising funds for their projected club house, fanned out through the neighborhood the past week, issuing invitations to the Troop's gala Pancake Breakfast Sunday morning from 6 to 12 at McMaster Park.

Fathers of scouts, under the expert supervision of such culinary artists as Roy Dohner, will mix the batter, cook the cakes, and serve them up with real maple syrup, to the king's taste.

Preparations are under way to entertain several hundred enthusiastic north Torrance breakfasters, before and after church.

Brewer Names Three on State Committee

Three residents of the southwestern part of the county — Mrs. Lois Roberts, Wilmington; Mrs. Jean Haley, San Pedro; and Harry L. Herranen, Torrance — have been appointed to the Republican State Central Committee by Thomas C. Brewer Jr., GOP assembly candidate in the 68th district. Brewer's headquarters, announced that the appointments were effective for the 1956-58 term. The committee holds its initial session on the week end of Aug. 4-5 in Sacramento, Brewer said.

It is the prerogative of the party's candidate in each assembly district to name three members to the state group, Brewer explained. The appointments generally recognize party workers who are actively participating in the organization's various activities.

The Central Committee meetings are being held during the same week end as the Republican State Convention. The new appointees are intending to view these proceedings as well as to join in constructing the committee's framework of activities for the next two years.
