

# Birthday Parties Top Occasions In Walteria Area During Week

By BETTY MITCHELL

Scout Troop 240 is off camping trip at Buckhorn p. The camp is located at Lake Arrowhead. Accompanying the boys are Scoutmaster Merle Rylant and Assistant Scoutmaster Merle Rylant. "roughing it" include Ward Wood, Frank Moore, White, Ed Ryland, Gary Ryland, Dean Hancock, Ted Day, and Robert Warren. Ryland and the Ryland are spending the week at a public camp near the gathering.

There has been a party week by Lee Johnson, daughter of Mr. and Mrs. Lyle Johnson, Winlock Rd., celebrated her birthday recently. The party was held on the patio at home with seven guests. Her many happy returns of the day. Those attending in the fun were Cathy, Blanche and Peggy Stewart, Ellen and Patty Jordan, Debby and Jerry Marie. A gay party table lent to the refreshments, which included a cake decorated with cowgirl and cowboy candies.

Another birthday party was given for Donna Matthews, daughter of Mr. and Mrs. Don Matthews, at Nickels Ranch on July 20. A big banner pro-

claiming "Happy Birthday, Donna" got everyone in the mood for fun. The younger set danced to music on records and happily munched on hot dogs, potato salad, potato chips, and all the trimmings during the afternoon. The huge birthday cake was decorated with yellow and red roses to match the decorations of the room. Chaperones included Mr. and Mrs. Don Matthews and Mrs. Dennis Savage. Teenagers Diana Ayers and Darlene Dillon also lent a helping hand. Guests were Roger Johnson, Tony Cooper, David Birmingham, Jackie Lawlor, Bonnie Blackburn, Linda Horton, Michelle Cronk, Rose Mary Ayers, Michelle Schonert, Steve Noble, Larry Newbold, Peter Medina, Eddy Sanders, Linda Howell, Jerry Brannon, Patty Marrs, Kathy Turner, Bonnie Howley, Gloria Foster and Bobby Zack. Sounds like a wonderful way to celebrate a birthday.

Sorry to hear that the George Pappas family, who have resided in the Winlock Rd. area for almost seven years have sold their home and are moving to Anaheim where George has been transferred. May we wish them good luck in their new home.

There is another new arrival in our area. Little Tina Louise Harner has come to join sister Angeline and brother Jimmy in the James Harner home on Danaha St. Tina is a dainty little girl 19 inches long, tipping the scales at 7 lbs. 3 ozs. She put in her appearance at the Torrance Memorial Hospital on July 21.

Twenty-seven members attended the general Women's Society meeting at the local Methodist church. The program began with a film strip showing the work accomplished by the Church Federation of Methodist Women. The film was presented by Mrs. John Chaudano. After the film the Naomi Circle presented a brief resume of the problems encountered by missionaries in South America. Mrs. C. H. Beck presented a survey of the missions in the United States which are available for visitation by vacationers. Youth Secretary Mrs. Lee Courtney announced the beginning of a World Friendship Group for girls of the ages of 12-16. Mrs. J. A. Beasley will be leader of this group and announced the kick-off party would be held at her home on Newton St. today.

A certificate was presented to last year's president, Mrs. Beck, in recognition of the completion of all the goals last year as set by the Methodist Women's general board. Next projects for the society will be a Summer Mission party on Sept. 7, and the annual bazaar set this year for Saturday, Nov. 10. A family picnic just for fun is planned for Aug. 26.

Our sincere sympathies are extended to the Adam Quandt family, of Winlock Dr., upon the loss of Adam's father.

Our prayers also are with Mrs. Mary Pearson, of Crickwood, who has been called east due to the serious illness of her mother, who suffered a heart attack last week end.

Mr. and Mrs. J. A. Beasley, of Newton St., have received news which has made them justly proud. Their son Austin, who is stationed at Fort Ord with the Army, has been made squad leader. Austin is learning radio, photography and lithography since leaving here to go on duty on June 30. John Olanson, of Las Cadona, son of Mr. and Mrs. Sverd Olanson, is also at Fort Ord.

Recent visitors at the Ivan Kettering home on Neece Ave. have been Mrs. Kettering's brother, wife and family, the Dick Bergerons, of Oregon.

Frances and Jerry Carrillo returned Tuesday last week after spending a delightful three weeks in Chelsea, Mass., and New York City. Both Jerry and his mother enjoyed seeing many of the famous landmarks in that section. Jerry claims that it was "better than television."

Many of you readers would be interested in knowing how our local library has grown during the year. There are approximately 400 new borrowers signed up, with an increased circulation for the library of 8833. The total number of borrowers now at the local branch is 2048. Let's start rooting for a bigger and better building.

Most welcome week end visitor at the Dale Broderson home on Winlock Rd. was John Growcock, Chief Petty Officer with the U. S. Navy. John is Mrs. Broderson's brother, and since he has been stationed in Hong Kong it has been two and one half years since his family had seen him. He is now temporarily stationed at San Diego where his ship is in port.

A wedding shower on the Hawaiian Theme was held recently at the Danaha St. home of Mr. and Mrs. Jo Merrill for Mr. George Halland and Miss Carol Evanson. The party was given on Saturday evening on the patio of the Merrill residence with the Hawaiian theme carried out in decoration and flower leis for all the guests. A buffet spread of varied sandwiches and relishes was served with dancing and entertainment. The gifts were grouped around a centerpiece cleverly done as a tree from which a suspended Cupid hovered over a miniature bride and groom done in pipe cleaner figures and cleverly costumed. Those attending were Bea and John Monaghan, Al and Betty Langston, Jean and Chuck Donsi, Frank and Johnny Johnson, Rita Lamperth and co-hosts Robert and Martha Munn. Many good wishes were extended the couple who plan to wed on Aug. 4.

Mr. and Mrs. Hubert Rampley of Winlock Dr. are back after a three week trip during which they visited Texas. They were accompanied by Mrs. Rampley's daughter who lives in Fontana. A good time was had by the vacationers although the weather was terrifically hot.
