

Bill Stulla to Visit Lomita Jim Dandy

TV favorite Bill Stulla who stars in the popular "Cartoon Express" show in addition to the Bill Stulla Show will make a personal appearance at the Jim Dandy Market in Lomita on Saturday, Aug. 9, M. E. "Shorty" Modeland, manager, has announced.

Stulla, who portrays a vivacious young engineer named Bill, makes the legendary "Casey Jones" take a back seat when he takes Channel 9's "Cartoon Express" out on a fun-filled run each week day at 6 p.m.

He will be at the Lomita market at Lomita Blvd. and Western Ave. at 10:30 a.m.

The market has announced that free rides on the "Cartoon Express" and other gifts for the kids will be awarded at the special event.

Many youngsters from the area are expected to turn out to see their TV idol, who dons full trainman's wardrobe each day as he beams his program to the moppets from a set filled with model trains and

plant blow-ups of modern locomotives.

The thrill of railroading, of riding and driving the huge giants of the rails is woven into each telecast, which spotlights a carload of cute cartoons—shying away from the blood-and-thunder fare usually shown in programs for the younger set.

Stulla is currently celebrating his 20th year on the air and is one of the busiest personalities on Channel 9. His "Bill Stulla Show" is telecast from 3:30 to 4:30 p.m. each day and he comes back at 6 with the "Cartoon Express."

Police Say Girl Made To Commit Indecent Acts

A 19-year-old Redondo man and a Lawndale juvenile are being held on charges they forced a Lawndale girl, 16, to commit indecent acts early Tuesday morning in the Riviera area.

Juvenile authorities here said that Armand Frklich, 19, of 2919 Gibson Pl., Redondo, was to face court late yesterday on the immoral counts. The 17-year-old boy has been taken to Juvenile Hall for disposition, police said.

The girl, apparently met some of her friends at a nearby skating rink. Frklich and the younger boy offered to take a crowd of teen-agers home. When all had been let off but the victim, the two drove to land in the Palos Verdes Riviera housing tract and forced her to commit the acts, police stated.

A guard at the tract discovered the trio after they had been there about an hour and called police. Officers Gene Erbetta and Jim Doyle, a newcomer to the force, brought the victim and suspects to the station.

RIGHT AROUND SEASIDE

Priestley Family Returns From Vacation in Grand Canyon Area

By SUE BURK FR 5-4549

Hello everyone. Heard from George Donnahue of the little store the other day. He (at the time) was feeling very well, but due for another trip to the veterans hospital. We send our best to you George, and will help Steth carry on at the story. Call if there is anything at all we can do to help.

Leonard and Connie Priestly of Vanderhill, along with their three children, have just returned from a vacation with the Jerald L. Kane family of LaVerkin, Utah. The Priestleys enjoyed a long day at the Grand Canyon (just opposite the rim where the two airliners recently collided) many days of camping and just visiting with relatives. Connie tells me they had a really scrumptious time.

The July meeting of the Scout Mothers' Club was held in the home of Mr. and Mrs. Dick Neumann of Sharynne Lane. Enjoying tea cream so-

das were Martha Kelleck, Marie Tambell, Mabel Caudill, Pauline Glass, Olive Spies, Carmen Talbot, Virginia Naumann, Mrs. Lessor, and Margaret Whyte. Mmes. Lessor, Talbot, and Spies were welcomed as new members. The ladies held a regular business discussion.

Welcome to the neighborhood is out to John and Emile Noder and son, Johnie, of 3211 Zakon Rd. Mr. Noder is manager of the Sunny Vale Laundrymat.

The white elephant motif was carried out at the farewell party given for Mrs. Linda Gilmore, of 5229 Vanderhill Rd., recently, by friends Norman Spear and Connie Priestly. Guests to partake of party refreshments of ice cream, cantaloupe, and cookies were Emile Noder, Barbara Andrews, Marian Unger, Mabel Caudill, Alma Reid, Connie Priestly, and Norman Spear. Linda received a beautiful television lamp as her farewell gift.

Roger Unger is now vacationing with Mr. and Mrs. Rad Radney and daughter, Donna Lee, residents of Vanderhill Rd. The Radneys are traveling north inland to San Francisco, then home via the coast route. While away they will be visiting such places of noted fame as the Redwood Forest, Yosemite Park, Sequoia National Park, and on into Santa Barbara where they will visit the old Spanish Mission. We will tell you more of this vacation as soon as the folks return.

Just heard that young Richard Nix, son of Mr. and Mrs. James Preston Nix of Zakon Rd., spent a wonderful three-day vacation at Catalina with Mr. and Mrs. George Kelley of Storybook Homes.

Visiting Mr. and Mrs. James McClune and family of Doris Way, were Mr. and Mrs. Carl Reese and son, Hal, from Douglas, Ariz. The McClunes took their guests to visit many famed local spots of interest such as the Marineland.

Frank and Freda Dins of Doris Way, have recently returned from vacationing up around Big Bear.

We wish all good luck and a speedy recovery to Rocky

Clinic Set For Dominguez Area

Negotiations have been completed for leasing of space for a child health clinic at 406-408 E. 231st St. Supervisor Burton Chace said recently. It will serve the Dominguez-Carson area.

According to Chace, the facility comes under a five-year lease with the Avalon Village Corp. The lease provides about 750 square feet of floor space for \$75 a month. The center is due to open soon, after the present premises are remodeled.

At first the center will be open one day a week for prenatal and post-natal care. Dr. Roy Gilbert, county health officer, has said.

In the future the program will be expanded to include the services of a district health officer, nurse and a communicable disease clinic, a spokesman added.

Panick, son of Mr. and Mrs. Bill Panick of Zakon Rd. Rocky recently underwent major surgery following a broken nose that shattered all the bone and cartilage. Hope we see you around soon Rocky, and remember you are still my favorite sweetheart.

Clothes Worth \$1350 Stolen From Trailer

Burglars made a big haul last week when they got about \$1350 in clothes and appliances from a trailer house at 1914 Pacific Coast Highway, Lomita, deputies reported.

William Landis, 44, said clothes belonging to his family, including linens, blankets, boys clothes, girls clothes, and small appliances were taken. He estimated the loss at \$1,365.

Landis told authorities the goods were being stored in the trailer.

Wilbert L. Cagle, 21, of Whittier, told deputies someone took \$75 worth of clothes from his car while it was parked in a parking lot at 1952 Pacific Coast Highway, last week.

Although nothing was taken, someone ripped a screen in trying to enter a medical building at 25836 Narbonne Ave., Lomita, authorities said. Sheriff's personnel are continuing their investigation into the burglaries.
