

## Pat Dohner Suffers Painful Burns at Pancake Breakfast

You haven't lived if you haven't enjoyed the antics of "Cinerama Holiday." An airplane ride, bobsled ride, skiing and being projected off a carrier are but a few of the thrills enjoyed by yours truly and husband Bill last Thursday evening. Relaxing with a barbecued chicken midnight dinner after viewing the adventuresome movie was the perfect ending for an exciting evening.

The 4123 W. 173rd Place home of Beth Jackson was the location of one of the gayest popular "Vanishing Lunches" which was hosted by Mrs. T. R. Jackson. Lovely ladies in attendance partaking of the delicious luncheon were Mrs. E. E. Carlstrom, Mrs. Carl Thompson, Mrs. John Arsenmeyer, Mrs. William Boell, Mrs. Delmer Kern and Mrs. J. Hall.

Sincere get-well wishes are extended to Pat Dohner, of 17311 Prairie Ave., who suffered second degree burns when an accident occurred at the pancake breakfast of Boy Scout Troop 753, where she was lending a helping hand. Both Mr. and Mrs. Roy F. Dohner are very helpful citizens in Scout and parent-teacher activities.

Ran into Mr. and Mrs. William Lindell and son Jimmy at Marineland. They had just returned from a three-week trip through Northern California with a three-day stay in San Francisco and a brief stay in Sequoia and also Yosemite National Parks.

Mr. and Mrs. Gordon Lewis are busily providing entertainment for brother Kenneth Lewis whom Gordon hadn't seen for 12 years as Kenneth has been working in South America for that length of time. The three will tour the United States for the next three months before Kenneth goes back to South America.

Helen and Vernon Burch joined in the fun at Lake Arrowhead for the weekend.

Party magic was also exercised by the Arnold McKean family who celebrated two birthdays and an anniversary with a morning till midnight combination of a brunch, snack time, luncheon, dinner and buffet midnight snack time enjoyed by over 30 guests. The lucky family received not one but two sets of Disneyland family books for the entire family of five! Golly, bet it takes two days for them to use up all those tickets.

One of the loveliest summer garden parties given was held by Mrs. J. Mills who not only provided a buffet lunch and a teenage fashion show, but also made preparations for four tables of bridge. All these activities and a door prize to boot. It was a lovely wrapped package containing one-half dozen pairs of stockings.

The lovely religious paintings by Mrs. Paul Herring are a beautiful sight to behold. True, they were numbered but the finished product shows much heart went into paints!

The time for the annual Policeman's Ball is growing near for it will be held on Aug. 24. Please remember that if we back this project 100 per cent the Torrance Police Officers Assn. can provide an expanded youth program. We are asked only once a year to support this fine youth benefit program so won't you pledge your support to this most worthy program in behalf of child welfare within the entire city of Torrance. I'm attending and taking a friend, are you?

Congratulations to Mr. and Mrs. L. Saltzer, Jr., of 1466 W. 186th St., who welcomed daughter Mary Ann into their home and also Mr. and Mrs. J. Lewis of Greville Ave., who welcomed their first child Johnny.

Anniversary wishes and congratulations galore are in order for Mr. and Mrs. Donald Meredith who celebrated their fifth wedding anniversary with dinner at a local cafe and a drive-in theater midst their four little cherubs. This is one of the happiest families in our community. Could it be because whether they are seen at church, the beach, cafe or theater, they are always together?

Disneyland was the location of a happy birthday celebration for Sharon Young who became 12 the last day of July. Her birthday gifts all turned out to be tickets for the many Disneyland amusements.

Bobby Burch caused quite a furor with the beautiful rhinestone earrings he selected for his mother's anniversary gift. Makes us feel prouder than ever of our 12-year-olds.

If you also chanced to get a glimpse of some of our young ladies dressed like pretty dolls perhaps you were as curious as I was about them and so I found out that these charming pre-teen darlings were on their way to Alondra to attend the Doll and Tea Show. While the dolls were being judged, the "mothers" were partaking of tea. Believe me, this was the most elite affair of the entire summer, according to our young fry.

Johnny Moore, David Mills, and Debbie Allen all read the same article in a Sunday paper for I ran into the three of them giving their dogs baths and although the article mentioned that the adding of a few tablespoons of baking soda to the bath water would provide your dog with a sleek and shiny coat the three young people used boxes of the stuff and they were large boxes too!

Chris, Suzanne, and Carolyn Gresham aren't a bit lonely in their 4103 West 178rd Place home. Although mother Mary and father Bill are vacationing at Lake Meade the youngsters are being very capably cared for by their charming grandmother, Mrs. Wilkinson.

The virus flu-bug can certainly strike in the strangest places, I was told by young Donnie Johnson who contacted the flu after boarding the fishing boat and was thought to be seasick! Young Donnie wanted to assure other passengers aboard the boat that he has proof from his doctor that he was not seasick!

Gallons of chop suey with dozens of shrimp caused quite a stir at the tableside of the John Boyd patio when the six couples invited to consume hot dogs and hot chocolate caught sight of the mountainous amount of Chinese goodies set before them. A full evening of charades completed the delightful evening for the popular young couples.

## Ellinwood Couples Celebrate Smiths' Eighth Anniversary

By JANET ROBINSON  
FR 5-7063

A group of Ellinwood couples had a night out last week when they helped Ray and Janet Smith celebrate their eighth wedding anniversary. Couples celebrating were: Mr. and Mrs. Henry Sullivan, Mr. and Mrs. Richard Ellis, Mr. and Mrs. Frank Pope, Mr. and Mrs. Joseph Tomchak, Mr. and Mrs. Fred Kerwin, and the honored couple, Mr. and Mrs. Ray Smith.

Neighbors on Green Meadows Ave. feted Lucerne Schureman and her new baby son, Bruce, at a morning shower recently, in Janice Lee's home. A lovely stork decorated

cake and coffee were served to the guests. Lucerne loves to go for walks so the gift they presented her will be well used. It was a beautiful stroller from Janice, Nevin Fosterling, JoAnn Doudna, Barbara Weaver, Kay Wylder and Bernie Pickering.

Jean and Blayne Asher spent the past week camping in Sequoia National Park at Lodgepole. It was very warm and they had thunderstorms every afternoon while there, but they did enjoy the rest. On the way home they came through 110 and 112 degree heat!

A get acquainted coffee hour was held in Kay Wylder's home Tuesday morning for

Joyce Guthrie. Other neighbors dropping in to meet Joyce were Mary McKinley, Maude Buckley, and Bernie Pickering.

Joyce and Al Guthrie and their four sons have recently moved into the home sold by the Robert Williams when they moved to central Torrance.

Ceal and Dick Banaszynski and Hazel and Tommy Bishop, of Green Meadows, enjoyed dinner last Friday night in Long Beach along with two other couples, Doris and Bill Mead, of Hollywood Riviera, and Mary and Harold Landrom, of Manhattan Beach. Afterwards they all gathered at the Bishop home and visited.

Bill and Rosalie Davis and their two girls had a houseful last week when their friend, Barbara Bradley, and her four children, visited them for four days. They enjoyed the beach while they were here.

Dr. and Mrs. Guy Udy and their two children, Christine and Lawrence, spent several days at Crestline last week. Their days were packed full of fun and activities such as horseback riding, and miniature golfing. They also visited Santa Claus Land while there.

The Ellinwood Campfire group just returned from a full action-packed week of hiking, swimming, and pursuing all sorts of hobbies and hand-

crafts at Camp Yallani in the San Bernardino Mountains. Their leader, Mrs. Marion Tripaldi, accompanied them on the bus to camp and on the return trip she chaperoned 50 little Blue Birds. The girls attending camp this year were: Kay's new next door neighbor, Suzanne and Stephanie Schenk, Bonnie Tripaldi, Pam Pennington, Yvonne Whitecotton, Charlene and Marilyn Hackbusch.

Charles and Helen Hackbusch took advantage of their time while their girls were at camp and son, Peter, went to China Lake on business and just missed the flash flood between Mojave and the Inyo-ken cut off. The flood tore up part of the road and de-

posited lots of debris over a large area so they had to be re-routed on their trip home.

Pat Frey celebrated his fourth birthday recently with 13 little boys who were invited to his home for a patio party. Pat's sister, Dottie Jo and friend, Christine Udy, co-hosted the party and then helped with all the games during the afternoon.

A Long Beach cafe was the setting for a birthday celebration in honor of Lucy Pesulich, Mary Wilhelm and Dorothy Frey took the honoree to lunch during the course of the afternoon the hostesses sang a birthday song in both French and English and then brought in a lovely lighted birthday cake.
