

## HIGH SCHOOL ENROLLMENT TO START

High school students entering the Torrance system from other districts may enroll at both North High and Torrance High Schools from Aug. 27 through Sept. 5. New students are asked to bring report cards or transcripts of records when registering, if possible.

Counseling offices at both high schools will be open each week day from 9 a. m. to 12 noon, and 1 to 3 p. m. for students desiring to consult with advisors about programs. Offices will be closed Monday, Sept. 3, for Labor Day. Students who attended an

elementary school in Torrance last year, and who will be high school freshmen in September, do not need to register since their enrollment was completed for them in June.

**New Students**  
New high school students who did not attend a Torrance school last spring should register before the fall term starts on Sept. 13. North High School is located at 182nd St. and Yukon Ave., and Torrance High School at 2200 Carson St. Torrance High School boundaries are as follows: All students in grades 9 through 12

who live south of 190th, east of Hawthorne and north of Sepulveda; all students in grades 9 through 12 who live in the Wood Elementary attendance area; all student who will be 11th and 12 graders in September, who live in the Meadow Park and Seaside Elementary attendance area; all students who will be 9th, 11th, and 12th graders in September, who live in the Hillside, Newton, Riviera, and Walteria Elementary attendance areas.

**North High Boundary**  
North High School boundaries are as follows: All students in grades 9 through 12 who live north of 190th St.; all students in grades 9 through 12 who live west of Hawthorne Blvd. and north of Sepulveda; all students who will be 9th graders in September, who live in the Meadow Park and Seaside Elementary attendance areas; all students who will be 10th graders in September,

## Two More Street Jobs Announced For Shoestring

Two more street improvement jobs in the Shoestring Strip area have been let to contract, it was announced yesterday by Councilman John S. Gibson.

Paving of 223rd St. with construction of curbs, gutters and sidewalks will be done at a cost of \$39,675, the councilman said, while sidewalks are to be installed in the 209th-211th St. and Brighton to Normandie area at a cost of \$4,971. McAmis and Baker were low bidders on both projects.

**DRAIN PLANNED**  
At the same time Councilman Gibson revealed an appropriation of \$2,200 for the preparation of plans for the

lateral storm drain on Hall-dale Ave. which will connect with the county flood control drain at 212th St. Complete financing of this project, estimated at \$24,000, will be undertaken in next year's budget.

The latest contract awards pushes the total in street improvements in the Shoestring area to well past the \$145,000 mark for the year, Gibson said. Work is nearing completion on the 224th St. and Hall-dale job while improvement of 205th St. from Harvard to Donker and 227th St. from Western to Hall-dale, already has been completed.

**SCHOOL CROSSING**  
Two other jobs on which work is expected to begin shortly include a pedestrian crossing over the Pacific Elec-

tric tracks at 223rd St. to provide a safe route to the new 223rd St. school, and a temporary sidewalk on Normandie Ave. from 211th St. to Carson Street, providing a route for children attending Halldale school.

In awarding the contracts, the Board of Public Works said work would be started within 30 days.

### Pruning

A light summer pruning is often quite beneficial for many broad-leaved evergreen shrubs, says the California Association of Nurserymen. Prune with light shears or your thumb nail and nip off tips of shoots not needed for branches. Thus the plant will throw its strength into the branches that form the framework of the shrub.

## MAJOR SET TO SPEAK

Major Robert Scott will be the guest speaker at the Church of Religious Science, Ruby and Catalina Streets, Redondo Beach, on Aug. 26. His subject will be "The Marvel of Today."

Major Scott is in the United States Air Force, employed as motion picture writer, director, producer of training films and documentary films covering subjects vital to the national security. He is also on the staff of the Biometric Research Foundation of Beverly Hills.

Sunday services of the Church and the Metateens will be held concurrently at 11 a. m. Children's Church services will begin seven minutes before 11 a. m. A nursery for infants and

smaller children, under the supervision of a registered nurse, is available.

The Inspiration Hour is held on Wednesday at 1 p. m. in the classroom at 503 South Catalina Ave. in Redondo. Martha Jane Reed will have charge of the discussion next Wednesday—the subject will be "How to Use Science of Mind in Personal Relationships." The public is invited to all church activities.

### Troublemaker

Like the proverbial villain in the western movies, crabgrass sneaks into a happy grass lawn and begins causing trouble. When you first sight seedlings of crabgrass act immediately.
