Columnist Joins in Huge Family Reunion During Vacation Trip

By BILLIE ROBERTSON FA 8-7385 Well, here I am again. I have had a wonderful vacation and rest. My husband and four children and myself traveled to many places of interest beside doing a lot of visiting. We visited Bagnall Dam, Osage River, Hoover Dam, Las Vegas and the Grand Canyon. We visited many relatives which included a 5-day visit with my father in Marshfield, Mo. Also my brother and sister and their families in Kansas City and Niangua and my husband's sisters and brothers in Springfield and Enon. While in Enon we celebrated my husband's father's 78th birthday and also his parents' 50th wedding anniversary. His brothers and sisters from Oregon and California also made the trip as we did and his 11 brothers and sisters were at his folks' place at the same time which meant there were 62 at the reunion the first time all had been together for 32 years. At the 50th wedding reception there were 192 guests with 7 of the original wedding party present of which there are 19 living.

Congratulations to Miss Betty Cossey of 1450 W. 220th The engagement of Margaret Ann to Maurice Reed was recently announced by the bride's parents Mr. and Mrs. Albert Smith, of 1517 219th St. The couple will be married in Aug. of 1957 at the United Brethren Church. The Judson Bowers family are off a whirl of many places of interest in Michigan. They plan on being gone for a couple of weeks. Another family who has the wonderful United States in front of them are the Fred Schimmels. They have gone to Oklahoma and the adjoining states. They will be gone for three weeks. I know we two families as "Having a wonderful time, wish you were here."

A surprise birthday party was given Aug. 10 for Mrs. Serge Algarme. Rose was very much surprised when she arrived home from work and found many of her friends had dropped in to wish her a happy birthday. The affair was given by her husband, Serge. Individual gifts were given to the honoree. Mrs. A. L. Kerr of 216th St. and family have returned from their vacation. They traveled by car to Kansas and visited Lon's brothers and sisters. They were gone two weeks. The children brought two turtles home with them hoping to make pets out of them.

Mrs. A. L. Kerr of 219th St. won honorable mention for beautiful paintings at the Civic Center Dedication. We did not realize we had such a talented painter in our midst. Sherry Harvey of Denker St. is a rested girl these days. She just returned from a lay week at Crestline. She went with 52 other Jobs. These girls from Bethel 50 of Torrance camped at Knobb Oak in cabins spending their time attending dances, shows and doing a lot of swimming. I hear there was some excitement while we were gone. It seems the slough was set fire. Only damage was some weeds burning which was all right as the firemen stayed till the remaining weeds were also burned. The Halldale PTA Board members held their first meeting at the Torrance Park last week. Each member brought a hot dish and pot luck was served. Many matters were settled and the program was decided on and the ways and means department discussed ways to raise money for the school in the coming year. A big year is seen for this PTA under the direction of Mrs. Kay Reese, president. Our deepest sympathy goes out to the family of Henry Moe, who recently passed away at his home. Henry was well liked by all who knew him and worked for Newberry's since Aug. 1.

A surprise handkerchief shower was given Mrs. Curtis Earles, auditor of the 186th PTA. The affair was held at the home of Mrs. W. S. Stewart. Mrs. Earle received many beautiful hankies and cards from her many friends who hate to see her family to live in the area where her husband is working. After the opening of gifts, refreshments were served by the gracious hostess Nadine Stewart. A fashion show and luncheon will be held Aug. 29th at 12:30 at the Torrance Masonic Temple. This show will be put on by the Job's Daughters of Bethel 50 of Torrance. Highlight of the day will be fashions provided by the local merchants. Luncheon will be served prior to the show. The annual bus and boat ride for the harbor area will be held Saturday Aug. 25. The trip will be toured as well as Los Angeles and the harbor. Lunch will be served on the boat. 200 members of Councilman Gibson's Advisory Board are expected to take this interesting excursion.
